

Terracotta-and-Cream Striped Pet Scarf

DESIGN 07 | PHOTO-MATCHED FREE PATTERN

Skill	Easy	Finished baseline	Top edge 35-40 cm; point depth 15-18 cm
Project	A dense striped triangular scarf with a flat side button	Time	1-2 hours
Colour plan	Change colour every 2 rows: terracotta, cream, terracotta, cream. The supplied photo has a warm terracotta dominant stripe.	Pattern	Original, photo-matched and adjustable

Materials

- 1. 40 g terracotta and 15 g cream smooth washable cotton
- 2. 4.0 mm hook, blunt needle and scissors
- 3. One flat wooden button and a short yarn loop; the button is decoration only

Gauge and abbreviations

Gauge: 16 sc x 18 rows = 10 x 10 cm after washing
Abbreviations: ch chain; sc single crochet; sc2tog single crochet 2 together; sl st slip stitch

Measure first

MEASUREMENT FORMULA
Measure the neck over the real collar and set the top edge to the neck measurement minus 2 cm. Keep the point rounded enough to stay away from the mouth.

Baseline sample: For a 38 cm top edge, ch 61 for 60 sc. Decrease both edges until one stitch remains, for a point about 17 cm deep.

PET-FIRST SAFETY
Decorative supervised wear only. Remove before sleep, crating, rough play or unsupervised time.

Pattern status: This is an original photo-matched prototype. A photograph cannot reveal the exact yarn label, hidden seams or final fit. Swatch, wash, prototype and fit-test before publishing it as tested or leaving it on a pet.

Terracotta-and-Cream Striped Pet Scarf - pattern instructions

Work in US crochet terms. Count the stitches at the end of each row or round, and adjust the final repeat to your measured size rather than forcing a tight fit.

Step	Instruction
Row 1	Ch 61. Sc in the 2nd ch and across. (60 sc)
Rows 2-30	Ch 1, sc2tog, sc across to the last 2 sts, sc2tog. Change colour every 2 rows. Row 30 has 2 sc.
Row 31	Ch 1, sc2tog over the final 2 stitches. Fasten off.
Border	Work 1 round of sc around the top and sides, placing 3 sc in the point. Use terracotta for the edge.
Button loop	At one top corner, ch 8 and sl st back into the same corner to form a short loop. Sew a flat button to the opposite corner through several rows.

Finishing

Weave colour tails on the back before blocking. Sew the button tightly, but keep it away from the jaw and never use it as a leash point.

Fit checkpoint

CHECK BEFORE USE

Slip the loop over the button with comfortable ease. Two fingers should fit between the real collar and the neck; the scarf should not rotate into the mouth.

Care

Hand wash and dry flat. Check the button, loop and stripe joins after washing.

Why this matches the photo

The reference shows terracotta and cream stripes, a dense triangular shape and one flat side button. A single symmetrical decrease line recreates the visible triangle.
