Measure first

MEASUREMENT FORMULA

Measure the crate panel for the pennant and keep every attachment on the outside, beyond teeth and paws. Measure the dog's neck separately for the optional bandana.

Baseline sample: Pennant: ch 50 for 49 sc and decrease to one stitch. Bandana: ch 53 for 52 sc and decrease to one stitch. Both use a cream border.

PET-FIRST SAFETY

Never leave a dog wearing the crochet bandana inside a closed crate. The pennant is external decor only; keep cords, tabs and loose yarn outside reach.

Pattern status: This is an original photo-matched prototype. A photograph cannot reveal the exact yarn label, hidden seams or final fit. Swatch, wash, prototype and fit-test before publishing it as tested or leaving it on a pet.

Mustard Crate-Corner Crochet Set - pattern instructions

Work in US crochet terms. Count the stitches at the end of each row or round, and adjust the final repeat to your measured size rather than forcing a tight fit.

Step	Instruction
Pennant Row 1	Ch 50. Sc in 2nd ch and across. (49 sc)
Pennant Rows 2-25	Ch 1, sc2tog at both edges and sc across. Row 25 ends with 1 sc.
Pennant stripes	Work cream on Rows 9-10 and 18-19; use mustard on the other rows.
Pennant border	Work 1 round of sc around the triangle, placing 3 sc in the point. Sew a short flat fabric tab to each upper corner and attach tabs to the crate exterior.
Optional bandana	Ch 53, Row 1 sc across (52 sc), then repeat the two-edge decrease through Row 27. Add the same cream border and fit it over a real collar for a brief portrait only.

Finishing

Weave tails on the back of each triangle. Keep the pennant tabs short and flat; inspect the crate bars for any snagging edge before hanging it.

Fit checkpoint

CHECK BEFORE USE

The bandana must be loose enough for two fingers and must never be worn inside a closed crate. The external pennant is the everyday decor option.

Care

Hand wash the pennant and bandana separately. Remove the bandana before washing the dog or cleaning the crate.

Why this matches the photo

One supplied photo shows the mustard/cream pennant outside the crate; the other shows a matching bandana on a beagle inside an open crate. The pattern deliberately treats those as two different safety uses.
