

Fun Bobbles Dog Coat: count notes

Status and scope

PetsCrochet count review, version 1.0, September 28, 2026. These are editorial arithmetic notes, not designer-issued errata. Proposed changes are prototype-ready drafts. No physical sample, fit trial or wash test has been completed. The complete supplied pattern follows this page. Check the notes against your selected size before starting.

Bobble Pattern Row 5

The base panel spans 35 (45, 55, 63) stitches. As printed, Row 5 consumes 36 (46, 57, 65). Keeping its starting single crochets and repeat numbers, a proposed count-consistent ending is 5 (4, 5, 3) single crochets rather than 6 (5, 7, 5). For example, S uses $5 + (4 \times 6) + 1 + 5 = 35$ positions. This refers to the base motif panel; keep separately added edge stitches separate in your tally. Check bobble alignment against the chart before proceeding.

Belly/back decrease totals

The shaping begins with 37 (51, 57, 67) stitches for S (M, L, XL). Each decrease row removes 2 stitches. One decrease row followed by 1 (4, 7, 7) MORE repeats makes 2 (5, 8, 8) decrease rows. Following that written schedule leaves 33 (41, 41, 51), not the printed 35 (41, 43, 53). The original intention cannot be established from arithmetic alone. A proposed working interpretation is to preserve the written repeats and use 33 (41, 41, 51) as the totals. Check the resulting length and shape on a sample; do not change the repeats merely to force a printed total.

Final three shaping rows

If using the written-repeat interpretation above, the three further rows with a decrease at each end remove 6 more stitches. Their resulting totals are 27 (35, 35, 45). These calculations do not verify the appearance or fit of the revised shaping.

INSTRUCTIONS

The instructions are written for **S**. If changes are necessary for larger size(s) the instructions will be written **S** (**M-L-XL**). Numbers for each size are shown in the same color throughout the pattern. When only one number is given in black, it applies to all sizes.

Notes:

- To begin working with the O'Go format, carefully cut plastic tie where the ends of the O'Go meet.
- Pull tie to remove.
- For this pattern, colors can be easily separated by gently pulling apart and cutting at the color transition. Each color is ready to use. Follow color guide shown in Materials section for each O'Go (Contrast A, B, C, D and E). You may find it helpful to place each color section in its own resealable (zip lock) bag and label each bag A, B, C, D and E.
- Start crocheting!
- To change color, work to last 2 loops on hook and draw new color through last 2 loops, then proceed in new color.
