Necessary materials:

- A yarn for the toy – I used Yarnart Jeans (55% cotton/45% acryl; 160 mt/50 g; sport 12 wpi; 5 ply): red color (26), green one (52), white one (01) and brown one (71), for the horns – brown one (70), for the ears – pink one (74), for the cheeks – pink one (20), for the muzzle – milk one (05);
- A black thin yarn for the face (I used Vita coco) or moulinet threads;
- Crochet hook 2 mm;
- stuffing;
- tapestry/sewing needle;
- plastic safety eyes 12 mm or sewing beads;
- button 5 mm for the scarf;
- pins;
- scissors;
- stitch marker;
- A good mood ☺

Demand of the yarn:

- Red one (26) - 40 g
- Green one (52) - 25 g
- White one (01) – 15 g
- The rest of yarn a little bit - 5-10 g

If you are using the same or similar yarn and crochet hook the toy is approx. 25 cm tall (10") (with the horns).

This crochet pattern does not contain lessons. It is necessary to have the crocheting skills.

I advise you to follow my recommendations about materials and tools. Otherwise your toys will turn to be bigger/smaller than mine.

Abbreviations:

- Magic ring – Adjustable ring
- SC - single crochet
- Rep - repeat
- Row – round
- Ch – chain
- Inc – increase (crochet in one stitch two stitches)
- Dec – invisible decrease (look scheme)
- BLO – back loops only
- FLO – front loops only
- Dc – double crochet
- Shift stitch – crochet one additional sc in this stitch, where a marker of the beginning of a row is, and move a marker for one stitch to the left. I.e. the beginning of a row moves.
- «From the second loop from the hook» – skip a stitch and crochet in the next stitch

Tip 1. When you've got your pretty yarn it's better to take the slightly smaller hook than recommended on a label of the yarn. I prefer to go down a couple hook sizes to attain a tighter gauge. So that there are no holes.

Tip 2. To keep track of the beginning of the row, use a stitch marker. Pin marker to the last loop of the row. Every new row must be finished with a loop at the marker. It can be a colored pin or thread of contrasting color.

All details are crocheted in a spiral without slip stitches and lifting loops (if there are no other instructions). We make it to avoid a seam after moving to a new row and to make our cloth even and accurate.

Jacquard. In this pattern we will use a jacquard technique of crocheting and changing of the colors for the ears. It is very simple. While changing the colors insert a new thread at the last step of crocheting of the last stitch of the previous color. If we crochet the last stitch completely with the old color, then the stitch of the base of a new color stitch appeared to be of a previous color and it will be not correct.

Don't cut the yarn! During the crocheting a spare thread should be laid above the chain, and in the next rows — above the stitches of the previous row. The working thread is above, a spare thread is below. To make the wrong side accurate and without any broaches, lay a spare thread above the stitches of the previous row. At the same time an unusable color hides inside the stitches, you item will be stronger and looks accurately at the wrong side.

Happy crocheting!

1. Arms

 Stuff the head tightly.

Cut the yarn, leaving enough end for sewing.

3. Legs - body

Crochet the legs and body as one detail.

Begin crocheting from the legs.

1 row – Red yarn: 6 sc in magic ring (6)
 2 row – 6 inc (12)
 3 row – (1 sc, inc) rep 6 times (18)
 4 row – (2 sc, inc) rep 6 times (24)

5 row – 2 sc, inc, (5 sc, inc) rep 3 times, 3 sc (28)

6 – 9 rows – 28 sc (28)

10 row – 5 sc, (1 sc, dec) rep 6 times, 5 sc (22)

14 row – Change the color to the green one.
 Cut and hide the red one: BLO: 19 sc (19)

15 row – 3 sc, inc, (5 sc, inc) rep 2 times,
 3 sc (22)

16 row – 22 sc (22)

17 row – 5 sc, inc, 10 sc, inc, 5 sc (24)

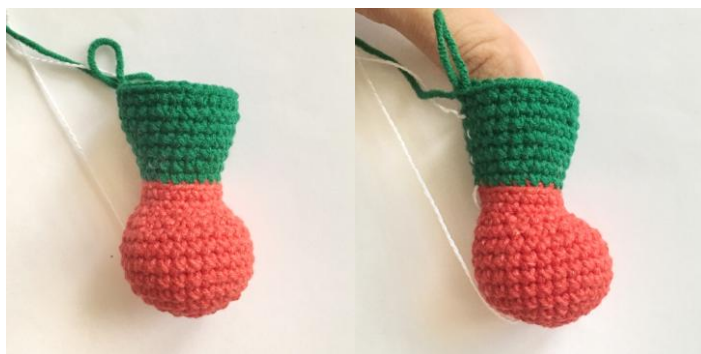

18 row – 24 sc (24)

19 row – (7 sc, inc) rep 3 times (27)

20 row – 27 sc (27)

Cut the yarn, leaving a small end, if you need to crochet some more sc till the place of the connection with the second (right one) leg.

Crochet the second leg (right one) similarly, but do not cut the yarn, continue crocheting – crochet the body.

Moving from the legs to the body:

It is necessary to put the legs so as the toes looks lightly inside (as if they are intoed), but do not turn them completely inside, as we did for the palms. It is necessary to connect the place, where the legs touch each other, with sc. That's why crochet the necessary number of sc at the right and left legs till the place of the connection (if necessary). I have as follows – I crochet 22 sc at the first (left) leg, and at the second (right) leg crochet 12 more sc.

Pay attention, that the beginning of the row and connection of the legs is at the back part of the body, not at the front!!

21 row - Crochet 2 ch, connect with the left leg with one sc – it is the first stitch of the 21th row (the beginning of the row).

You can mark this place with a stitch marker.

Further crochet along the left leg 26 sc, 2 sc in the chains between the legs, along the right leg - 27 sc, 2 sc in the chains between the legs (58)

22 – 23 rows – 58 sc (58)

24 row – inc, 12 sc, inc, 1 sc, inc, 6 sc, (inc, 2 sc) rep 2 times, (2 sc, inc) rep 2 times, 6 sc, inc, 1 sc, inc, 12 sc, inc, 2 sc (68)

25 row – 16 sc, inc, 8 sc, inc, 14 sc, inc, 8 sc, inc, 18 sc (72)

26 – 29 rows – 72 sc

Stuff the legs and the lower part of the body.

30 row – (10 sc, dec) rep 6 times (66)

Further alternate red and white colors each two rows, beginning from the red one. Cut the green yarn.

Pay attention, the beginning of the row and the line of changing the colors will shift to the right, because we crochet in a spiral. To avoid it, align the marker along the middle of the back each 2-3 rows!

I.e. perhaps you need to change the color not strictly in the end of a row, but to crochet one more sc in a new row with a previous color and so on. At the photo it is well seen how I tried to change the colors to make the line of changing the colors even.

31 row – BLO: 66 sc (66)

32 row – 66 sc (66)

33 row – (9 sc, dec) rep 6 times (60)

34 – 37 rows – 60 sc (60)

38 row – (8 sc, dec) rep 6 times (54)

39 – 41 rows – 54 sc (54)

42 row – (7 sc, dec) rep 6 times (48)

43 – 44 rows – 48 sc (48)

45 row – (6 sc, dec) rep 6 times (42)

46 row – 42 sc (42)

47 row – (5 sc, dec) rep 6 times (36)

48 row – In this row crochet in the arms:
7 sc, 5 sc with the arm, 14 sc, 5 sc with the arm, 5 sc (36)

Cut and hide the red yarn.

49 row – 36 sc (36)

50 row – (4 sc, dec) rep 6 times (30)

Cut and hide the white yarn.

Crochet along the free front loops of the 31st row of the body with the plush yarn alize softy **in two threads!** And also repeat the same for the legs in the 14 row and for the arms in the 11 row.

White crocheting round take the toy by the legs down!

Assembly

- Sew the head to the body, do not forget to put the stuffing in the neck, so as the head will not dangle.

- Make the tightening for the eyes between 14 and 15 rows. The space between the eyes is 9 sc. Mark the places for the eyes for your convenience.

Video «How to make tightenings» is here – <https://youtu.be/aUyW8t-TbgE>

Use 12 mm safety or sewing eyes. Glue or sew them.

- Embroider the whites of the eyes with a white yarn.

- Sew the muzzle between 16 and 25 rows of the head.

- Sew the nose to the upper half of the muzzle.

- Embroider the glare on the nose with a white yarn.

- Embroider the brows with a black thin yarn.
- Embroider the cheeks with a pink (20) yarn.
- Sew the horn at the level of the magic ring (the beginning of crocheting the head) approx. between the 2 and 4 rows (or on your own taste).

- Sew the ears to the 11-12 rows of the head. Beforehand fold each ear in half and sew it all the way through.

Before sewing the ears define the places for them, draw out the threads from the ears in one point at the nape of the head, tie them up

together. It will be simpler to sew them this way.

- Embroider the spots on the forehead with the yarn of milk color (05).

- Sew the button to the scarf.
- Fold the scarf in half and sew directly on the toy.

- Put a gift bag on.

The toy is ready!
