

MATERIALS:

Yarn: light weight (3) yarn suitable for amigurumi and a size 2mm crochet hook in **red, green, white, black and orange and yellow (of these last 3 colors you need only a very small amount)**

Crochet hook: size 2mm

Tapestry needle

White button (2cm diameter)

The eyes and buttons are embroidered French knots. These can be replaced by beads or safety eyes.

The color of yarn you are to use is mentioned at the end of the row. If nothing is mentioned, then you use the same color as the previous row.

Work in back of front loops only when mentioned at the end of the row. When not mentioned, work in both loops of the stitches.

Yarn off and leave a long tail. Pin snowman to bottom left corner of the red rectangle you have already made earlier. The left side and bottom edge of the snowman will be attached to the red background while you do the following green border: (see pictures below)

Green border:

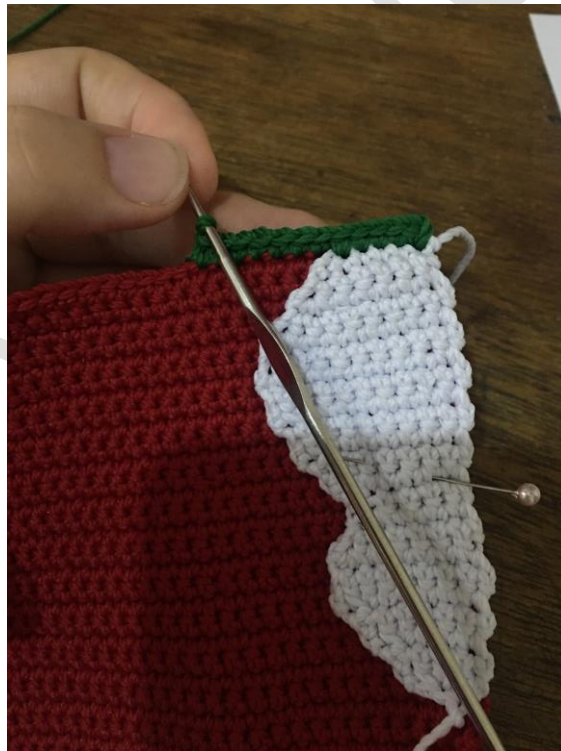

Attach your **green** yarn to the bottom left corner and single crochet in the following way:

Bottom edge: 42 single crochet starting in the corner stitch, 2 extra in the last stitch

Side edge: 28 single crochet starting in the corner stitch, 2 extra in the last stitch

Top edge: 42 single crochet starting in the corner stitch, 2 extra in the last stitch,

Side edge, 28 single crochet starting in the corner stitch, 2 extra in the last stitch, slip stitch into the very first stitch.

Continue with **white** yarn:

42 single crochet in the bottom edge, 2X 2 single crochet in the next, 28 single crochet up in the side edge, 2X 2 single crochet in the next, 42 single crochet in the top edge, 2X 2 single crochet in the next, 28 single crochet down in the side edge, 2x 2 single crochet in the next, slip stitch in the first stitch

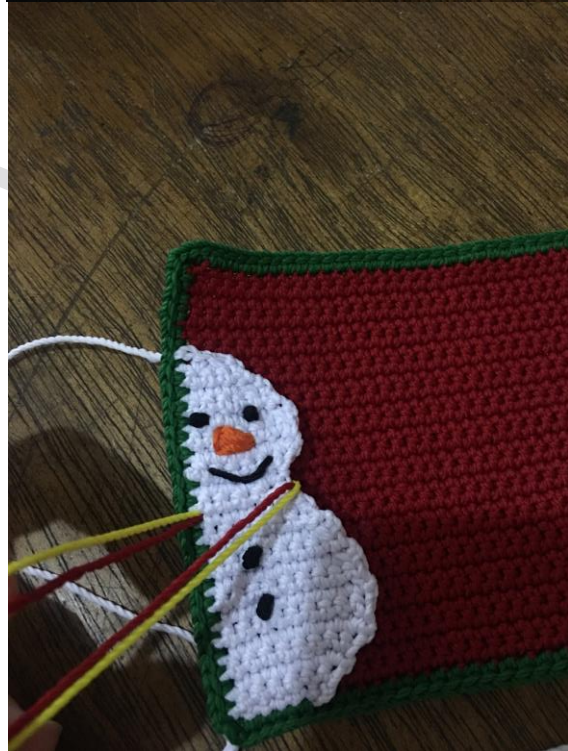

Yarn off and work away your yarn.

Snowman embroidery:

- Embroider a nose with **orange** yarn
- Embroider French knots for eyes and buttons with **black** yarn (these can be replaced by safety eyes)
- Embroider a mouth with **black** yarn

To make the scarf, cut a strand of yellow yarn and a strand of red yarn, both 20cm (8.5"). Use a tapestry needle or your crochet hook to pull the strands through the left side of your snowman's neck. Tie a knot or two in the scarf and cut ends to a nice length.

See pictures below for the scarf:

Sew the right side of your snowman to the red background with the **white** yarn tail of the snowman

Merry Christmas embroidery:

Embroider "Merry Christmas" with **white** yarn next to the snowman. This text can of course be replaced with other text.
