Round 8 background: missing repeat marker

The printed round refers to a starting asterisk that is missing. A count-consistent reading is to repeat the following five-background-stitch unit 18 times: sc through the back loop of the first tr of the next overlay V and the next background stitch; sc in each of the next 2 background stitches; sc through the back loop of the second tr of that V and the next background stitch; sc in the next background stitch. Join to the first sc. This keeps 90 background sc and anchors both legs of each of 18 V-stitches.

Keep the two layers aligned

Do not add extra background stitches while catching the overlay. Check that each five-stitch unit uses the next complete V in order. This repeat interpretation needs a physical sample before it can be treated as tested errata.

Strap check

Make both straps with the same row count. Follow the four-stitch attachment placement in the full pattern and check each join before use.

PetsCrochet editorial reading notes. The complete supplied pattern follows. Proposed corrections are prototype-ready drafts: no physical crochet sample or wash test was completed for this package.

Spider Webby Bag

Designed by Ellen Gormley.

Bag measures 12" x 12.5" x 5.5" deep at base.

RED HEART® "Super Saver®": 1 skein each 672 Spring Green **A**, 528 Medium Purple **B** and 312 Black **C**.

Crochet Hook: 5mm [US H-8]
Stitch markers, yarn needle.

GAUGE: 13 sts = 4"; 16 rounds = 4". **CHECK YOUR GAUGE.** Use any size hook to obtain the gauge.

Special Abbreviations

V-Stitch = (Tr, ch 2, tr) all in same st.

Surface slip stitch = Make a slip knot but do not place it on hook. Hold slip knot on wrong side of fabric. Insert hook into fabric from right side to wrong side; place slip knot on hook and pull yarn to right side, leaving knot on wrong side. Insert hook from right side to wrong side thru any desired st or space, yo and draw a loop to right side. To end a line of surface slip sts, pull up a loop on the right side of fabric; remove hook from loop. Insert hook from wrong side to right side and into dropped loop; pull loop to wrong side. Cut yarn tail; place tail thru loop and pull taut.

Rev V-st (reverse V-st) = *Yo twice, insert hook into next st, yarn over and draw up a loop, (yarn over and draw through 2 loops on hook) twice**; skip 2 sts, repeat from * to ** once more, yarn over and draw through all 3 loops on hook.

NOTES

Sides are worked with overlay rounds over background rounds. Every fourth round, **B** is worked into the back loop only of the **C** round and into both loops of the **B** round to anchor the overlay to the background. When working background and overlay rounds, drop the unused color until it is needed again.
