

Corgi with a Pom-Pom Tail

Edition and sample status

Version 1.0 | October 12, 2026. Prototype-ready reading draft; this edition, its proposed corrections and new components have not been physically crocheted, washed or checked for recipient use. Complete supplied instruction, photograph and chart pages are included after the reading notes. The notes expand or clarify the reference; they do not establish tested errata.

Reference size and measurement

No finished size or numerical gauge supplied. For a figure, measure height from crown to lowest foot in its display pose, then widest body width; for a head measure widest head width. For the pouch, measure laid-flat bag width and length separately from overall figure length. Measure only a completed relaxed sample, not a photo. These targets are reference values, not independent results.

Materials and starting hook

Main-colour, white, tan and red yarn; black embroidery thread; stuffing, needle, markers and scissors. Proposed starting trial: smooth medium-weight yarn with a 3.5 mm hook; no yarn weight or hook is specified in the supplied scan. Use a yarn needle suitable for the chosen yarn, a movable marker, scissors and measuring tape. Listed balls, skeins and gram amounts are reference allowances rather than measured consumption for this edition. Buy an additional allowance only after planning your own sample; no exact new total is promised.

Gauge and resizing

No numerical tested gauge is established for this reading edition. Where the reference has no stitch gauge, make a single crochet swatch larger than 10 cm square, let it rest, and record stitches and rounds in the middle 10 cm. Make a small stuffed component to check gaps. If stuffing shows through, trial a smaller hook and repeat. For a display figure rescale, $\text{ratio} = \text{desired finished height} / \text{measured original sample height}$. Trial yarn and hook together to produce approximately that scale while preserving the complete stitch schedule, then make the whole sample and remeasure. Check muzzle, ears, neck and base separately. Hardware and yardage do not scale automatically. This is a sampling method, not a verified second size. For the jar cover use the actual-container method in the written chart reading.

Terms and how to read the pages

US terms in the added notes: ch=chain; sc=single crochet; hdc=half double crochet; dc=double crochet; tr=treble; sl st=slip stitch; MR=magic ring; inc=2sc in one stitch; dec=sc2tog; BLO/FLO=back/front loop only. A decrease consumes 2 base stitches and produces 1. A three-stitch increase consumes 1 and produces 3. Move marker each spiral round; do not count an offset stitch as a new increase. Turning chains are not counted in added flat-row instructions. Follow each original pattern's own stated terminology and colour key. English, scanned pages.

Construction route

The rump is shaped with a strand of yarn before the pom-pom tail is sewn on. Keep those finishing photos handy; they explain the rear view better than the front photograph does. Pointed ears, a long body and four short feet make this corgi easy to pick out. The white forehead stripe and chest break up the dark coat. Two colour examples appear in the photos, but they use the same pattern.

Count and completeness review

The second body round labelled 45 is the final 46th round. Proposed turning chain ch 1 before each head-stripe row, not counted. Scanned instructions have been manually transcribed; the full original pages remain in the guide.

Complete reading transcription - Corgi (US terms)

Work in continuous rounds with a marker unless working the flat stripe. Inc = 2 sc in one stitch; dec = single crochet 2 together. Numbers are resulting counts. Main colour may be black or orange; white, tan and red are contrasting colours.

HEAD, main colour. R1: 6 sc in MR (6). R2: inc x6 (12). R3: (inc, sc) x6 (18). R4: (inc, 2 sc) x6 (24). R5: (inc, 3 sc) x6 (30). R6: (inc, 4 sc) x6 (36). R7: (inc, 5 sc) x6 (42). R8-9: 42 sc. R10: (inc, 6 sc) x6 (48). R11: 28 sc, sc and mark this stitch for one eye, 8 sc, sc and mark for second eye, 10 sc (48). R12: 18 sc, (inc, sc) x3, 18 sc, (inc, sc) x3 (54). R13-16: 54 sc. R17: 18 sc, (dec, sc) x3, 18 sc, (dec, sc) x3 (48). R18: (dec, 6 sc) x6 (42). R19: (dec, 5 sc) x6 (36). Place eyes at the marked positions, making optional eye circles first if used. R20: (dec, 4 sc) x6 (30). R21: (dec, 3 sc) x6 (24). Stuff gradually. R22: (dec, 2 sc) x6 (18). R23: (dec, sc) x6 (12). R24: dec x6 (6). Fasten off, close opening and secure tail.

EARS, make 2 in tan/orange. R1: 6 sc in MR (6). R2: inc x6 (12). R3: 12 sc. R4: (inc, sc) x6 (18). R5-7: 18 sc. Fasten off with sewing tail; arrange as upright ears on head and sew securely.

MUZZLE, white. R1: 6 sc in MR (6). R2: inc x6 (12). R3: 12 sc. R4: (inc, sc) x6 (18). R5: BLO 18 sc. R6-7: both loops, 18 sc. Fasten off with sewing tail; insert reference nose centrally before stuffing. Lightly stuff, pin centrally below the eye positions and sew all round. An embroidered nose is a proposed alternative to the hard fitting.

HEAD STRIPE, white, flat rows. Ch5. Row1: sc in second chain and remaining3 chains (4). Rows2-11: turn, work4 sc. A ch1 turning chain, not counted, is proposed for handling the turns. Fasten off, pin lengthwise over centre of head from behind muzzle toward crown and sew edges down.

EYE CIRCLES, optional, make2 in tan. R1: 6 sc in MR (6). R2: inc x6 (12). R3: (inc, sc) x6 (18). R4: 2 sc, dc, tr, dc, 2 sc, sl st in remaining11 stitches (18 positions). Fasten off. Put each eye through centre of circle and head before attaching washer; stitch circle edge down.

TONGUE, red: 4 sc in MR (4); tighten the ring, do not join ends into a closed round. Fasten off with sewing tail. Embroider smile with black thread: from centre below nose, take one stitch diagonally left, return to centre, then one diagonally right and return. Pin tongue at centre of smile and sew down; secure and hide thread ends.

BODY: begin white. R1: 6 sc in MR (6). R2: inc x6 (12). R3: (inc, sc) x6 (18). R4: (inc, 2 sc) x6 (24). R5: (inc, 3 sc) x6 (30). R6: (inc, 4 sc) x6 (36). R7: (inc, 5 sc) x6 (42). R8: (inc, 6 sc) x6 (48). R9-13: 48 sc. Change main colour. R14-34: 48 sc. Change white. R35-39: 48 sc. Stuff gradually. R40: (dec, 6 sc) x6 (42). R41: (dec, 5 sc) x6 (36). R42: (dec, 4 sc) x6 (30). R43: (dec, 3 sc) x6 (24). R44: (dec, 2 sc) x6 (18). R45: (dec, sc) x6 (12). R46: dec x6 (6); this last round is printed as another45. Close and secure tail.

FEET, make4 in white. R1: 6 sc in MR (6). R2: inc x6 (12). R3: (inc, sc) x6 (18). R4-5: 18 sc. R6: 6 sc, dec x3, 6 sc (15). R7-9: 15 sc; for black corgi change to tan for R8-9. Fasten off with sewing tail, stuff and pin evenly under body, 2 nearer front and2 nearer rear. Check all four touch display surface before sewing. Sew head to white front end of body, keeping forehead stripe vertical.

RUMP SHAPING: cut a 24 inch/61 cm white strand. Enter at lower centre of white rear, leaving a tail, bring needle out at upper centre and lay thread over outside back to lower entry point. Pull both ends gently to form centre crease. Repeat once, knot and hide both ends. Compare the rear photographs before pulling tight.

POM-POM TAIL: cut a 24 inch/61 cm main-colour strand and set aside. Wrap main-colour yarn around three fingers80 times, slide bundle off, tie set-aside strand tightly round centre several times. Keep attachment tails intact; cut looped ends, trim round and stitch to upper centre of rump. This is a decorative loose-fibre pom-pom, not a pet-play attachment. Check the pom-pom centre and all sewing, remove pins and secure tails.

Assembly and final checks

Follow the retained photographs and numbered assembly directions. Place paired ears and paws with temporary markers, compare front, side and rear, then sew securely around open edges or through flattened tops as directed. Do not force unmatched stitch counts into a seam: check the previous shaping round first. Add stuffing in small pieces while keeping any intended flat base flat. After sewing, remove every pin, secure tails and inspect every attached piece. Test any proposed seam or count repair on a sample before final gifting.

Care and intended use

These are dog-themed display and gift crafts, not chew toys or walking equipment for real pets. Keep stuffing, hard fittings, keys, joints, loose fibres and doll accessories away from pets. Follow the actual yarn and component labels for cleaning; trial care on a spare sample before washing the figure. Avoid heat on untested plastic fittings or glued components. No washability, attachment-strength or child-toy compliance test has been completed for this edition.

Sample record and troubleshooting

Record yarn brand/fibre and colour, hook, gauge, finished height/width, yarn used, proposed changes and care result. If fabric gaps appear, try a smaller hook and recheck size. If head droops, check stuffing distribution and seam positions; do not add concealed weights or wire absent from the design. For a distorted face, check marker positions and muzzle alignment before undoing the entire head. For the jar, remove the sleeve to clean the container; do not treat a crochet cover as protection against glass breakage. Read coloured stitch lines on the original PDF pages because plain-text extraction can lose colour segmentation.

Complete pattern pages

The full supplied pages begin next, including foundations, rows/rounds, stitch counts, colour cues, assembly photographs and charts available in the reference. Original page numbering restarts there. Use the count review above where a proposed alternative is given. For Milo, use the separate completion draft to supply the absent pieces; for the keychain, choose the marked alternative muzzle when sampling.

(Note: If you're making a black corgi switch to tan on Round 8-9).

Finish off and add stuffing. Pin to the body as shown.

Assembly:

Pin head and legs on as shown. Sew each piece on securely.

Butt:

In White

First, cut a 24" of yarn in White. Now, insert it into the bottom part of the butt (**Pic 1**). Be sure to leave a few inches as the tail. Now pull the yarn up to the top center part of the butt (**Pic 2-3**). Reinsert the yarn to the original bottom part of the butt (**Pic 4**). Pull the tail and current yarn at the same time to tighten and form the butt (**Pic 5**). Repeat making the butt crease one more time for security. Tie a knot on both tails and weave in ends.

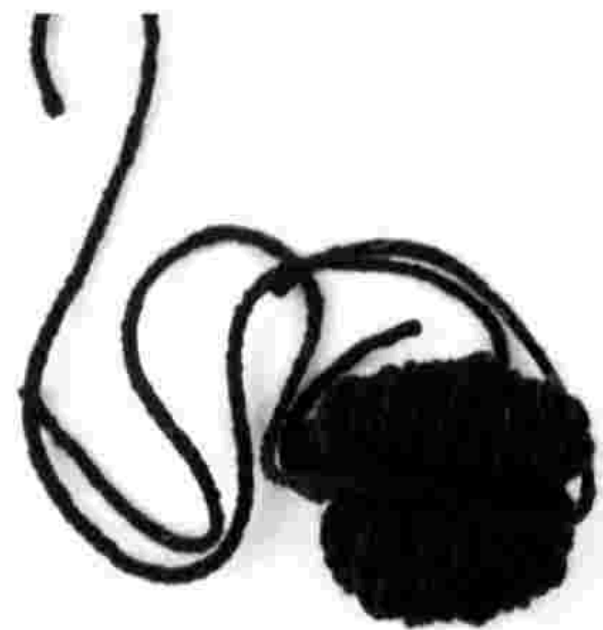

Tail:

In Main Color

First, cut a 24" of yarn in Main Color and set aside. Now, wrap the yarn around your first 3 fingers 80 times (**Pic 1 & 2**). Slide this off your fingers (**Pic 3**). Now take the 24" yarn you cut

and set it under the yarn ball (**Pic 4**). Now wrap the 24" yarn over the ball and tie a knot to secure. Repeat this a few times (**Pic 5**). Hold onto the tail left from the 24" yarn to not cut it. Now cut the yarn as shown (**Pic 6-8**). Sew onto the butt.
