Handsome Dog in Green Overalls

A mustard and brown Handsome Dog doll wears green overalls with straps and buttons.

Version 1.0 | October 3, 2026 | Prototype-ready reading draft. No physical crochet sample, wash test or child/pet-use test was completed. Proposed corrections are editorial interpretations, not confirmed errata.

Starting specifications

Yarn weight not specified; 2.5 mm hook or a hook suited to your yarn. Listed as about 20 cm around and 10 cm long; axes are unclear. Joined legs, separate clothing and embroidery. Consult the complete supply list and color plan in the pattern pages.

Body and head corrections

Head grows by six to 48, holds 9-17, increases at 18 to 66 and closes 60/54/48/42/36/30/24. Joined legs start with 18 each plus a four-chain bridge used on both sides = 44. Body round 30 writes six (6 sc, dec) repeats, which consumes 48, not 44. A proposed balanced replacement is (5 sc, dec) three times, sc, (5 sc, dec) three times, sc: consumes 44 and yields 38. Round 38 writes six (4 sc, dec) repeats, consuming 36, not 38. Proposed: (4 sc, dec) three times, sc, repeat once; consume 38, yield 32. Round 39 two (14 sc, dec) repeats consumes 32 and produces 30. These repairs are untested.

Overalls and small parts

Overalls leg foundation says ch 20 then 20 sc without a clear join. Proposed: join ch 20 untwisted and work 20 sc around; make two tubes, then join into a 40-stitch round as the Turkish line instructs. Bib partial rows are 24/8/8; two ch-18 straps say 18 sc despite only 17 remaining chains after skipping one. Proposed ch 19 then 18 sc; fit on the actual dog before attaching buttons. Pocket says ch 5 with five sc; proposed ch 6 then five sc. Nose oval foundation is omitted: proposed ch 5 oval of 10 as described for Baby Dog; head muzzle then 12/14/16/18. Other source instructions and process photos remain complete. Proposed nose-tip rows: ch 2, two sc in the second chain; turn. Inc, sc (3); turn. Inc, 2 sc (4); turn. Inc, 3 sc (5); turn. Inc, 4 sc (6), FO. For white nose after its 10-stitch oval, use (inc, 4 sc) twice for 12, then (inc, 5 sc) twice for 14, (inc, 6 sc) twice for 16 and (inc, 7 sc) twice for 18. These resolve omitted repeats, not confirmed errata. Compare both sleeves and fit clothing on the actual stuffed dog.

Measure, finish and check

Gauge and dimensions

No verified PetsCrochet gauge is available. Where no gauge is stated, make a six-round sc circle ending at 36 stitches, measure its diameter without stretching and record yarn/hook. Check filled fabric for gaps; flat appliqués should lie flat without pulling. Measure stuffed height head-to-base, plus width/depth and widest circumference; record whether ears/halo are included. For patches, measure maximum width and height flat, without stretching. Source dimensions are estimates, not measurements of a new sample.

Resizing method

For a yarn/hook change, make matching test circles: new circle diameter divided by original circle diameter is an approximate scale ratio. Multiply known dimensions by this ratio as an estimate only. Keep the written stitch schedule until a physical prototype supports a changed schedule. Clothes and backings must fit the actual dog/motif; do not scale a wire frame, spring, eye size or garment fastening blindly. No yardage or fit is verified by this ratio.

Terms and supply checks

MR: magic ring; ch: chain; sc: US single crochet; inc: two sc in one base; dec/sc2tog: two sc joined into one; sl st/ss: slip stitch; hdc: half double crochet; dc: double crochet; tr: treble; dtr: double treble; FLO/BLO: front/back loop only; FO: fasten off. Ranges include both endpoints. Mark the first stitch, count base positions consumed and resulting stitches, and make pairs together. Yarn package size is not measured project use. Keep stitch marker, needle and scissors ready; use filling and components only where the chosen pattern calls for them.

Finish, care and intended use

Pin parts before sewing, test seated/standing balance without forcing it and inspect all seams and attachments. These are dog-themed display crafts for people, not pet chew toys or certified baby toys. Keep wire, spring parts, hard eyes, felt, hair strands and craft tools out of pets’ reach. Follow actual yarn/filling/component care labels; assembled washability is untested. Clean gently only when the materials allow it, dry fully and inspect again. If a round cannot consume its available stitches, pause and clarify or sample the proposed interpretation. Record changes so the paired part follows the same plan.

Complete pattern pages follow.

Handsome Dog

Abbreviation/US terminology :

blo	-	back loop
ch	-	chain
cr	-	crochet
dc	-	double crochet
dc3tog	-	double crochet three together
dec	-	decrease
flo	-	front loop
hdc	-	half double crochet
FO	-	Fasten Off
inc	-	increase
rnd(s)	-	round(s)
sc	-	single crochet
sc3tog	-	single crochet three together
slst	-	slip stitch
st	-	stitch
tr	-	treble stitch
(...)	-	number in parentheses indicates the number of stitches at the end of the round
[...]	-	repeat instructions x times or to the end of the round
(...)	-	work the stitches all into the same stitch
