

# Jingle Christmas Cat

Santa-style and green Jingle cats share a Christmas theme.

Version 1.0 | October 2, 2026 | Reading companion with every supplied pattern page. No physical crochet sample, wash test or child/pet-use test was completed. Proposed repairs are untested editorial interpretations, not designer-approved errata.

## Starting specifications

Chunky chenille; 5 mm hook; 3.5 mm for the heart. About 25 cm. Crochet; color changes and beard details. See the original supply list for component colors and amounts.

## Shared Christmas construction

Santa-style and green character versions share one body. Counts grow 10/20/30/40/50/60, hold 60 through the body section and close 50/40/30/20/10. Use the intended version colors from the start; the facial embroidery differs. Main hook is 5 mm and listed size is about 25 cm.

## Beard-chain interpretation

The curl foundation says start a chain and make ten sc, then refers to skipping a chain and nine increases. A plausible reading is ch 10, skip the first chain and work nine sc increases in the remaining chains for 18 stitches, letting the strip curl. This is a proposed interpretation, not a tested correction. Make the eight indicated curls, comparing the face photo before sewing. The mustache grows 6/9/12/15 and closes 12/9/6. Pin the curls and mustache before attaching so the nose remains visible.

# Measure, finish and check

## Gauge and resizing

Where no gauge is supplied, make a six-round circle of 36 sc using the selected yarn/hook and record its diameter without stretching. Fabric should contain the intended filling without visible gaps. For a yarn/hook change, measure matching test circles:  $\text{new diameter} / \text{original diameter} = \text{approximate scale factor}$ . Multiply listed dimensions by that ratio only as an estimate; stuffed shapes and clothes need a physical fit check. Keep the stitch schedule unchanged until a prototype establishes a different size. No yarn requirement, finished dimension or garment fit is verified by this formula.

## Terminology and making checks

US terms unless the supplied page explicitly says otherwise. MR: magic ring; ch: chain; sc: single crochet; inc: two sc in one stitch; dec: join two stitches as one; sl st: slip stitch; hdc: half double crochet; dc: double crochet; tr: treble; BLO/FLO: back/front loop only; FO: fasten off. A body bobble counts as one position. For a proposed five-dc bobble, work five unfinished dc in one base and close all loops together; confirm the intended size against the source. Mark round starts, check consumed and resulting positions, make paired parts together and pin before sewing. Do not work an unresolved count as if it had been verified.

## Materials, filling and care

Use the item-specific yarn/hook list on the preceding page and complete original materials list below. Include stitch marker, tapestry needle, scissors and the source filling/attachment materials. Ball sizes and planning allowances are not measured consumption. Fill gradually without distorting seams. Inspect closures, sewn parts, embroidered ends and sitting balance. Follow every actual yarn, filling and accessory care label; assembled washability has not been tested. Spot-clean only when the materials allow it, dry fully and inspect afterward.

## Intended use and troubleshooting

These are cat-themed amigurumi/display crafts for people, not pet chew toys or certified baby toys. Keep wire, felt, plastic parts, loose strands and unfinished tools away from pets. If the shape buckles or paired parts differ, recount and compare the same round before adding filling. If a row cannot consume the available stitches, pause and resolve that row; the reference photo does not prove a corrected schedule. Record changes on the editable text so later paired parts use the same interpretation.

Crochet in continuous spirals without joining the rounds!

Put a marker (or use a scrap of contrasting yarn) at the beginning of each round.

The finished product using a 5 mm crochet hook is ~9,84 inches / 25cm.

Start with a chain and make 10sc (sc)

Go back, skipping the chain attached to the hook, and make 9 inc (18).

Close the opening of the remaining stitches by threading the yarn through a needle, passing it through each stitch, and pulling the yarn tight.

Sew the mustache by threading the yarn through the magic ring and position them diagonally to fill the snout and rest on the beard

Sew the last curl of the beard into the gap created between the mustaches to fill it in

## BLACK YARN

Embroider the nose with an X  
(insert from the side of the snout, make the stitch, and exit from the same stitch to tie the knot and hide the yarn)

## ORANGE YARN

Embroider the belt buckle, entering at the side of the body, make the embroidery, and exit from the same stitch you entered to make the knot and hide the thread.

## GRINCH CUSTOMIZATION

BLACK YARN to embroider the smile. Enter at the side of the head and exit between rounds 6-7, aligned with the center of the snout, then re-enter at the opposite side (points 1 and 2).

The thread should follow the semicircle, and to secure the thread in the desired position, make a few stitches going back, exiting and re-entering immediately by passing over the thread (the thread passes underneath because we don't want to add extra thickness; it just needs to exit to secure the Grinch's smile)

Once back at point 1, exit from the entry stitch, make the knot, cut, and hide the thread

Embroider the nose with two stitches.

Then, make the center line of the snout perpendicular. (For all embroideries, enter at the side, make the stitch, and exit from the entry stitch to make the knot and hide the thread.)

Make the beard dots as you like and as many as you prefer based on your taste (I made 3 on each side)

Embroider the eyebrows. Make them bent down to give the characteristic look of the Grinch. Enter at the side of the snout, exit at point 1, and re-enter at point 2. Let the thread exit from the entry stitch, make the knot, and hide the thread. Repeat for the other eye.

## HEART

WITH WHITE VELVET YARN

Make 3 treble crochet

4 double crochet
