

Kiki Cat

Two round Kiki cats have contrasting faces, paws and tails.

Version 1.0 | October 2, 2026 | Reading companion with every supplied pattern page. No physical crochet sample, wash test or child/pet-use test was completed. Proposed repairs are untested editorial interpretations, not designer-approved errata.

Starting specifications

Chunky chenille; 5 mm hook; 3.5 mm for the heart. About 15 cm. Crochet; bobbles and sewn details. See the original supply list for component colors and amounts.

Construction and counts

Cream-and-brown written color plan. Body/head: 8/16/24/32/40/48, keep 48 through bobble paws, then 40/32/24/16/8. Ears: 6/9/9/12. Tail narrows 18/15/12/9/6. Work each bobble as one position and mark round starts.

Color and finishing

The black cat in the reference is a color alternative; the supplied detailed directions describe the cream-and-brown version. Do not assume a second fully written color chart. Bend the unfilled ears as pictured before sewing. The heart uses a smaller 3.5 mm hook and finer chenille; it is an accessory, not an additional pattern entry. Cat size is listed about 15 cm with a 5 mm main hook.

Measure, finish and check

Gauge and resizing

Where no gauge is supplied, make a six-round circle of 36 sc using the selected yarn/hook and record its diameter without stretching. Fabric should contain the intended filling without visible gaps. For a yarn/hook change, measure matching test circles: $\text{new diameter} / \text{original diameter} = \text{approximate scale factor}$. Multiply listed dimensions by that ratio only as an estimate; stuffed shapes and clothes need a physical fit check. Keep the stitch schedule unchanged until a prototype establishes a different size. No yarn requirement, finished dimension or garment fit is verified by this formula.

Terminology and making checks

US terms unless the supplied page explicitly says otherwise. MR: magic ring; ch: chain; sc: single crochet; inc: two sc in one stitch; dec: join two stitches as one; sl st: slip stitch; hdc: half double crochet; dc: double crochet; tr: treble; BLO/FLO: back/front loop only; FO: fasten off. A body bobble counts as one position. For a proposed five-dc bobble, work five unfinished dc in one base and close all loops together; confirm the intended size against the source. Mark round starts, check consumed and resulting positions, make paired parts together and pin before sewing. Do not work an unresolved count as if it had been verified.

Materials, filling and care

Use the item-specific yarn/hook list on the preceding page and complete original materials list below. Include stitch marker, tapestry needle, scissors and the source filling/attachment materials. Ball sizes and planning allowances are not measured consumption. Fill gradually without distorting seams. Inspect closures, sewn parts, embroidered ends and sitting balance. Follow every actual yarn, filling and accessory care label; assembled washability has not been tested. Spot-clean only when the materials allow it, dry fully and inspect afterward.

Intended use and troubleshooting

These are cat-themed amigurumi/display crafts for people, not pet chew toys or certified baby toys. Keep wire, felt, plastic parts, loose strands and unfinished tools away from pets. If the shape buckles or paired parts differ, recount and compare the same round before adding filling. If a row cannot consume the available stitches, pause and resolve that row; the reference photo does not prove a corrected schedule. Record changes on the editable text so later paired parts use the same interpretation.

Crochet in continuous spirals without joining the rounds!

Put a marker (or use a scrap of contrasting yarn) at the beginning of each round.

The finished product using a 5 mm crochet hook is ~ 5,906 inches / 15 cm

THE REQUIRED MATERIALS:

- i used Chunky Chenille yarn Beige / Brown
- Velvet Chenille yarn Light Blue (I chose the Light Blue yarn thinner than the others because I want to make a smaller heart, and we'll also use a smaller crochet hook)
- Pink cotton yarn thinner (to embroider the nose)
- 5mm crochet hook (or any different crochet hook that matches your yarn)
- 3,5 mm crochet hook for the heart
- 2 safety eyes 20 mm / 0,78 inches
