Lavender Cluster Bracelet

Edition and sample status

Version 1.0 | October 13, 2026. Prototype-ready draft. Added schedules, count clarifications and fitting methods have not been physically crocheted, worn or washed. Supplied reference images show the intended style; they are not evidence that the added construction has been tested. Complete relevant instruction and illustration pages follow the written guide. Sideways reference pages are rotated for reading; original page numbers remain visible. Charted routes and marked written alternatives must be sampled separately.

Reference size

Reference length about 18 cm excluding the extension chain. No numerical tested stitch gauge.

Materials and starting hook

2.0-3.0 mm reference hook; smooth cotton. Purple flowers, optional pale-purple accents, sage leaves and a green band. Illustrated allowances: 5-10 g for each motif colour and 10-15 g for the band; not measured consumption. Also use a suitable sewing needle, scissors, tape measure and removable markers. Choose the actual fastener before sizing. Listed amounts and reference diameters are planning information, not a guaranteed supply requirement or tested result for this edition. Record thread or yarn used in a trial before planning repeated gifts.

Gauge, measurement and resizing

Measure wrist circumference where the bracelet will sit. Measure fastened bracelet circumference along its centre line, including only the hardware span used when closed; measure raised flower diameter and height separately. Record stitches and rows over 10 cm on a cared-for sc swatch for bands, and motif width/centre pitch for lace or fine-thread designs. No new numerical tested gauge is established here. Use the complete construction and relevant sizing formula below, then verify the final sample. Resizing floral bands changes their foundation and spacing, not every petal count at once.

US terms and counting

ch = chain; sc = single crochet; hdc = half double crochet; dc = double crochet; tr = treble crochet (yarn over twice); dtr = double treble crochet (yarn over three times); sl st = slip stitch; MR = magic ring; st = stitch. Work each named stitch in the next available base stitch unless the directions explicitly say same stitch/space. Tall stitch: draw a loop through the base, then yarn over and draw through two loops repeatedly until one remains. The added turning ch 1 and joining slip stitches do not count as foundation stitches. Colour changes occur between specified components, not mid-row unless stated.

Reference count review

The reference calls for chained petals without an explicit common centre; leaf rows also leave foundation chains unassigned. A common-centre flower and counted oval leaf are supplied as a proposed construction.

Proposed lavender-like clusters

The illustrated chain petals do not specify a common attachment centre. The schedule below gives a complete centre-and-petal route. It is a new untested construction and may have a different appearance from the reference.

Five-petal flower, make 6 in lavender purple: MR, 5 sc; join with sl st (5 base stitches). Join purple if needed. For each of the 5 base stitches: sl st in that base stitch, ch 4, sc in the second chain from the hook, hdc in the next chain and dc in the final chain (3 stitches along the petal). Sl st back into the same base stitch. Move to the next base stitch and repeat until there are 5 chain petals. Join, fasten with a long sewing tail and close the ring. The ring has exactly 5 petal attachment sites; each petal uses its own 3 usable chains.

Three-petal flower, make 6 in pale purple: use MR with 3 sc and repeat the same chain-petal unit once in each base stitch (3 petals). For a fuller arrangement, make another batch only after measuring the first set on the band; no finished flower diameter is promised.

Make 6 medium and 4 small counted leaves. Make the measured support band in green. Lay out three clusters, each containing 2 five-petal and 2 three-petal flowers. Make the central cluster slightly fuller by layering its bases, rather than by changing stitch counts. Arrange leaves below and beside the clusters, with their pointed ends outward. Sew leaves first, then the flowers through their common centres. Keep the side clusters away from the closure.

No separate wire stem is required. For a short yarn stem, ch 6, sl st in the second and remaining chains (5 sl st), fasten and sew it flat under one cluster. This is an optional added detail; do not leave a free dangling stem. Follow the fastening and finishing notes.

Measured single crochet support band (proposed)

Choose a target fastened circumference C = measured wrist W + your chosen ease E, all in centimetres. Measure the span K occupied by the clasp and closed jump rings in the actual fastening position. Target crochet length L = C - K; L must be positive. The unused tail of an extension chain is not part of K.

Make a relaxed sc swatch at least 10 cm square and count g stitches and r rows in the middle 10 cm after suitable care. First trial foundation N = round(L x g / 10) + 1 chains. Work row 1: sc in the second chain and each remaining chain, giving N - 1 sc. Row 2: ch 1, turn; sc in every stitch, giving N - 1 sc. Repeat row 2 until the band is about 1-1.5 cm wide, or until your recorded trial width. Turning ch 1 never counts as a stitch.

Rest or block as appropriate, measure the band and compare with L before attaching motifs. If it misses the target, change N by approximately round((L - measured length) x g / 10), keeping at least 2 chains. Rework the band rather than stretching it to force the fit. Record the successful N and row count. Keep both ends free of flowers for fastening.

Proposed fastening: sew a small closed jump ring through several stitches at one end with doubled matching thread, at least four passes across two neighbouring stitches. Secure the sewing tail through the band. Attach the clasp to that ring using its specified ring. Repeat for a closed ring at the other end; an extension chain may attach there. Twist rings sideways with suitable pliers, close their ends flush and check for snags. Sewn ring attachment and finished fit need sample testing. Never rely on an open crochet loop alone to carry a heavy metal fitting.

Counted oval leaf (proposed)

Use green. Medium leaf: ch 8. Starting in the second chain, work sc, hdc, dc in each of the next 3 chains, hdc, sc in the last chain: 7 stitches across all 7 usable chains. Ch 1 at the tip; rotate the work without turning it over. Work into the unused underside loops of those same 7 chains, beginning at the far end: sc, hdc, 3 dc, hdc, sc (7). Ch 1 at the base; sl st into the first sc. Fasten with a sewing tail. The perimeter has 14 crochet stitches plus 2 turning chains; the joining sl st does not add a perimeter stitch.

Small leaf: ch 6 and use sc, hdc, dc, hdc, sc on each side (5 per side, 10 total plus 2 turning chains). Large leaf: ch 10 and use sc, hdc, 5 dc, hdc, sc on each side (9 per side, 18 total plus 2 turning chains). Pinch the base gently and secure it while sewing. These three counted sizes are new sampling options, not verified replacements for every reference leaf diagram.

Placement, sewing and finishing

Position the decoration on the outward side of the band. Use removable pins only while the piece is off the wrist, then sew through motif bases and several band stitches with matching yarn. Make at least three separated anchor points for each raised flower, leaving petal tips free. Sew leaves through their central foundation and base. Do not let sewing tails or knots collect on the skin side. Secure every tail through neighbouring stitches in more than one direction; trim only after attachment checks.

Curve the completed bracelet around its wearer, open and close the fastening several times, and check that the ends stay clear of flowers. If motifs bunch, reduce overlap, move their bases or make smaller trial motifs. If a raised flower rocks or twists, add another base anchor instead of gluing it to conceal the movement. Remove every pin and check all joins for exposed ends and snags. No attachment-strength or wear test has been completed for these proposals.

Placement diagram: schematic, not to scale

Attach motif bases; keep the two fastening ends clear.

Care and use

Follow the actual yarn, thread, stiffener and fitting labels. Try cleaning on a spare motif first. If appropriate, reshape gently and dry flat without lengthwise stretching. Metal fittings, stiffened petals and crystals may need separate care; no universal machine-wash claim is made. Remove the bracelet before work or activities that could snag it. These are human-worn jewellery designs, not pet collars, leads or pet toys. Store small fittings, loose thread and needles out of pets' reach.

Troubleshooting and sample record

If petals curl unexpectedly, check counts and hook/tension on one new motif before changing the whole bracelet. If a band is too long, rework its foundation; if lace length is wrong, change complete centre-space repeats. If flowers crowd on a curved band, change placement or sample smaller motifs. Check closures after blocking. Record yarn/thread, hook, swatch gauge, motif width/height, successful foundation/repeats, closed circumference, fastener span, consumption, care result and every change. Neither a correct arithmetic count nor a photograph substitutes for a physical sample.

Welcome to the Crochet Flower Bracelets

PATTERN COLLECTION ♥

Five Flowers. Endless Happiness.

IMPORTANT INFORMATION

Please read this page before starting the patterns.

Good Yarn Brighter Days ♥

♥ Skill Level

This collection is designed to be beginner friendly with detailed instructions and photos.

Easy – Intermediate

Basic crochet knowledge is helpful, but all stitches used are explained.

What You Will Learn

- How to crochet small flowers
- How to assemble flower bracelets
- Tips for neat and durable finishing
- Adjusting the size to fit your wrist
- Creative ways to customise your bracelets

Finished Size

Each bracelet is adjustable and fits most wrist sizes.

Standard Size

Approx. 16 – 19 cm
(6.5 – 7.5 inches)

Instructions for custom sizing are included on page 6.

Yarn Recommendations

For best results, use a smooth, lightweight cotton yarn.

- Cotton yarn (sport or DK weight)
- Mercerized cotton (for a slight shine)
- You can also use acrylic yarn, but cotton gives a neater and sturdier finish.

Use small amounts of yarn, making this a perfect stash-busting project! ♥

Tools & Materials

- Crochet hook (recommended 2.0 – 2.5 mm)
- Yarn (various colours, see colour guide)
- Yarn needle
- Small scissors
- Jump rings / clasps (optional)
- Stitch markers (optional)
- Measuring tape
- Tweezers (helpful for small assembly)
- A little bit of patience and love! ♥

Abbreviations Used

ch	chain
sl st	slip stitch
sc	single crochet
hdc	half double crochet
dc	double crochet
tr	treble crochet
inc	increase (2 stitches in one stitch)
dec	decrease (2 stitches together)
st(s)	stitch(es)
[...]	repeat instructions
(...)	total stitches at the end of round/row

Lavender Bracelet

DESIGN & CONSTRUCTION OVERVIEW

A STEP-BY-STEP CROCHET PROJECT

This delicate lavender bracelet features beautiful crocheted lavender flowers, green leaves, and a comfortable bracelet band. In this section, you'll get an overview of the design, materials, and steps before we start crocheting. Let's create something beautiful together!

About the Design

The lavender bracelet is inspired by the gentle beauty of lavender flowers. It includes:

- A sturdy crochet bracelet band
- Small lavender flower sprigs
- Green leaves
- Optional decorative beads
- A secure clasp with extension chain

This design is elegant, lightweight and perfect for everyday wear or as a thoughtful handmade gift.

Finished Bracelet (Front View)

Finished Bracelet (Side View)

What You Will Make

1. Bracelet Band (see page 16)

2. Lavender Flowers (see page 17)

3. Leaves (see page 18)

4. Assembly (see page 19)

Difficulty Level

Easy to Intermediate

Basic crochet stitches are used. Perfect for beginners who are ready to try a floral project!

Approximate Time

2 – 4 hours
(Depending on your speed and experience)

Materials Needed

Purple Yarn (for lavender flowers)

Green Yarn (for leaves and band)

Light Purple Yarn (optional)

Crochet Hook (2.0 – 3.0 mm)

Clasp & Extension Chain

Optional Beads (3 – 6 mm)

Scissors

Yarn Needle

Yarn Color Guide (Example)

Lavender Purple

Light Purple

Sage Green

Next Step

In the next page, you'll learn how to crochet the bracelet band.

Lavender Bracelet

MATERIALS, YARN & HOOK SETUP

EVERYTHING YOU NEED TO GET STARTED

In this section, you'll find a complete list of materials, yarn recommendations, hook size, and helpful tools for making your lavender bracelet. Using the right materials will make your project easier, more enjoyable, and give you the best results!

Yarn Colors Needed

Lavender Purple (for flowers)	Light Purple (for buds)	Sage Green (for leaves)	Dusty Green (for bracelet band)
Small amount	Small amount	Small amount	1 small skein (approx. 10–15 g)

Recommended Yarn

- Use soft cotton yarn (any brand).
- 4-ply / DK weight yarn works well.
- Cotton yarn gives a neat, defined stitch and is perfect for small details.
- You can also use acrylic yarn if preferred.
- Choose colours that match your style!

Tip: You only need small amounts of each colour, so this is a great project for using leftover yarn!

Crochet Hook

- Use a 2.0 – 3.0 mm crochet hook (depending on your yarn).
- A smaller hook (2.0 – 2.5 mm) gives tighter stitches and a neat look.
- Adjust the hook size if your stitches feel too tight or too loose.

Other Tools & Notions

Scissors (for cutting yarn)	Yarn Needle (for weaving ends)	Lobster Clasp & Jump Ring (for closure)	Extension Chain (optional) (to adjust size)	Optional Beads (3 – 6 mm) (for decoration)

Material Quantity Guide

Item	Amount (Approx.)	Notes
Lavender purple yarn	5 – 10 g	Flowers
Light purple yarn	5 – 10 g	Buds (optional)
Sage green yarn	5 – 10 g	Leaves
Dusty green yarn	10 – 15 g	Bracelet band
Crochet hook	2.0 – 3.0 mm	Use a comfortable size
Scissors	1	For cutting yarn
Yarn needle	1	For weaving ends
Lobster clasp	1	For closure
Jump ring	1	To attach clasp
Extension chain	1 (optional)	For adjustable size
Beads	A few (optional)	For extra detail

Helpful Tips

- Use good quality yarn for a neat finish.
- Keep your stitches even and not too tight.
- A smaller hook gives a more delicate look.
- You can use different shades of purple and green for a natural effect.
- Gather all your materials before you start.
- Leftover yarn is perfect for this project!
- Beads are optional but add a beautiful touch.
- Most importantly, enjoy the process!

Small Materials Big Happiness

Lavender Bracelet

LAVENDER FLOWERS
DETAILED CROCHET INSTRUCTIONS

STEP-BY-STEP GUIDE

In this section, you'll learn how to crochet the small lavender flowers used in the bracelet. Each flower is made with tiny, simple stitches and works up quickly. Follow the step-by-step instructions and photos carefully.

1 Abbreviations (US Terms)

ch	=	chain
sc	=	single crochet
hdc	=	half double crochet
dc	=	double crochet
sl st	=	slip stitch
st(s)	=	stitch(es)

2 Flower Overview

- Each lavender flower is made with 3–5 small petals.
- We will use a combination of chains, single crochet and slip stitches.
- Make multiple flowers in different sizes for a natural look.

3 Small Lavender Flower (Make Many)

Each flower takes just a few minutes to make!

3a. *Chain 4*
Make a chain of 4.

3b. *Work into chain*
In the 2nd chain from the hook, make 1 sc.

3c. *Add more stitches*
Make 1 hdc, 1 dc in the same chain.

3d. *Complete petal*
Make 1 sl st. This creates one petal.

4 Make 3–5 Petals

Repeat Step 3 (3–5 times) to make 3–5 petals in a circle.

5 Join the Petals

Join the petals with a sl st in the centre. Fasten off, leaving a long tail for attaching to the bracelet band.

6 Different Flower Sizes

Small Flower (3 petals) | Medium Flower (4 petals) | Large Flower (5 petals)

You can make different sizes of flowers to give a more natural and beautiful look.

7 Finished Flowers

Make as many flowers as you need for your bracelet. Try using different shades of purple for a realistic effect.

Tips for Perfect Flowers

- Use a smaller hook for neater, tighter petals.
- Keep your tension even.
- Try 3, 4 or 5 petals for variety.
- Use different shades of purple.
- Attach flowers securely to the bracelet band.
- Small, simple stitches create the most beautiful results!

Close-Up Detail

Ready for the Next Step!

Your lavender flowers are complete! In the next section, you'll learn how to crochet the leaves.

Page 18

Lavender Bracelet

LAVENDER LEAVES

DETAILED CROCHET INSTRUCTIONS

STEP-BY-STEP GUIDE

In this section, you'll learn how to crochet the leaves used in the lavender bracelet. These simple leaves are quick to make and add a natural, beautiful touch to your flowers. Follow the steps carefully and use the photos as a guide.

1 Abbreviations (US Terms)

ch	=	chain
sc	=	single crochet
hdc	=	half double crochet
dc	=	double crochet
sl st	=	slip stitch
st(s)	=	stitch(es)

2 Leaf Overview

- Each leaf is made with a simple combination of chains and crochet stitches.
- The leaf is worked in rows, then finished with a slip stitch.
- You can make leaves in different sizes to match your flower arrangement.

3 Start the Leaf

Ch 6.
(This will make a small leaf. For a larger leaf, ch 8–10.)

4 First Side (Base Row)

In the 2nd chain from the hook, make 1 sc, 1 hdc, 2 dc, 1 hdc, 1 sc. (5 stitches total)

5 Other Side

Do not turn. Work on the other side of the chain. Make 1 sc, 1 hdc, 2 dc, 1 hdc, 1 sc. (5 stitches total)

6 Finish the Leaf

Sl st into the first stitch to join. Fasten off, leaving a long tail for attaching to the bracelet band.

7 Different Leaf Sizes

Small Leaf (ch 6)	Medium Leaf (ch 8)	Large Leaf (ch 10)

You can adjust the starting chain to make leaves in different sizes.

8 Finished Leaves

Make as many leaves as you need for your bracelet. Try different sizes for a natural and realistic look.

Leaf Shape & Detail

Tips for Perfect Leaves

- Use tight, even stitches for a neat shape.
- A smaller hook gives a firmer, cleaner leaf.
- Try different chain lengths for variety.
- You can slightly curve the leaf by adjusting your tension.
- Use different shades of green for a natural look.
- Attach leaves securely to the bracelet band.
- Make a few extra leaves – you might need them!

Leaves in the Brecelet

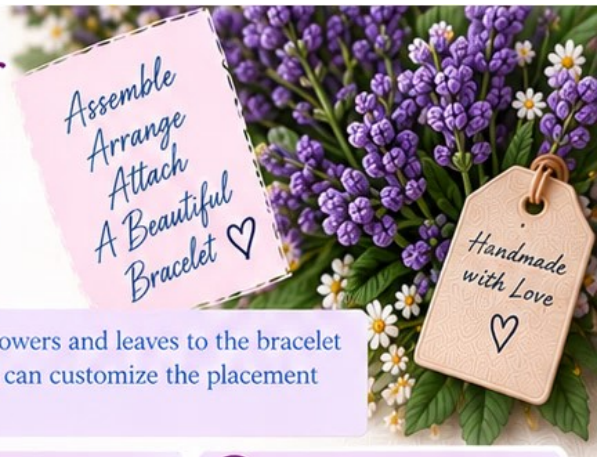

CROCHET ♥ CREATE ♥ WEAR ♥ GIFT ♥ ENJOY

HAPPINESS IN EVERY STITCH

Lavender Bracelet

ASSEMBLY & FLOWER ARRANGEMENT

BRING IT ALL TOGETHER

In this section, you'll learn how to assemble your lavender bracelet by attaching the flowers and leaves to the bracelet band. Follow the steps carefully to create a beautiful and balanced arrangement. You can customize the placement of flowers and leaves to make it your own!

1 Prepare Your Pieces

Make sure you have:

- 1 bracelet band (see page 15)
- Several lavender flowers (see page 17)
- Several leaves (see page 18)

2 Plan the Arrangement

Arrange your flowers and leaves on the band before attaching them. Try different layouts until you find a design you like. You can place a larger cluster in the center and smaller flowers on the sides.

3 Attach a Leaf (Optional Base)

Using a yarn needle and the same yarn colour, sew the leaf onto the band. Stitch through the base of the leaf, making a few small, secure stitches. Weave in the yarn end.

4 Attach a Flower

Sew the flower onto the band in the desired position. Make a few stitches through the base of the flower to secure it. Weave in the yarn end.

5 Build the Cluster

Continue attaching flowers and leaves, working from the center outwards. Overlap slightly for a natural look. Use a mix of flower sizes and leaf positions to create depth and fullness.

6 Add Extra Details (Optional)

You can add a small bead in the center of each flower for a delicate touch. Sew the bead securely with matching yarn. (See page 16 for bead information.)

7 Continue Along the Band

Add flowers and leaves until you are happy with the arrangement. Make sure everything is securely attached. Keep the design balanced on both sides.

8 Finished Bracelet (Front View)

Your lavender bracelet is complete! A beautiful handmade accessory inspired by the charm of lavender.

Side & Back View

Side View

Back View

The back of the bracelet will show the clean band with neatly attached stitches. Make sure all yarn ends are woven in.

Tips for a Perfect Finish

- Plan your arrangement before sewing.
- Use small, neat stitches to attach each piece.
- Keep your tension even.
- Add beads for extra beauty (optional).
- Weave in all yarn ends securely.
- Use a balanced mix of flowers and leaves.
- Try different layouts to create your own unique style.
- Most importantly, enjoy the process!

Finished Bracelet (Close-Up)

Page 20

Lavender Bracelet

CLOSURE, FINISHING & FINAL PATTERN

COMPLETE YOUR BEAUTIFUL BRACELET

In this final section, you'll learn how to add the clasp, finish your bracelet neatly, and see the complete pattern with stitch counts. Follow the steps carefully to give your lavender bracelet a professional and beautiful finish!

1 Add the Clasp

1. Attach a jump ring to one end of the bracelet band.
2. Add a lobster clasp to the jump ring.
3. Secure tightly and make sure it moves freely.

2 Add Extension Chain (Optional)

1. Attach an extension chain to the other end of the bracelet band.
2. Use a jump ring to connect it.
3. This allows you to adjust the size for a comfortable fit.
4. If you prefer a fixed size bracelet, you can skip the extension chain.

3 Hide Yarn Ends

Use a yarn needle to weave in all loose yarn ends on the back side of the bracelet. This gives a neat and professional finish.

- Trim any excess yarn carefully.

4 Final Touches

- Check that all flowers and leaves are securely attached.
- Adjust the placement if needed.
- Make sure the clasp and extension chain are strong.
- Give your bracelet a gentle shape and it's ready to wear!

5 Finished Bracelet

Your lavender bracelet is complete!
A delicate, handmade accessory full of charm and beauty.
Wear it, gift it, or make more in different colours!

6 Final Pattern Overview

Part	Stitches Used	Approx. Count (per piece)	Total (Approx.)
Bracelet Band	ch, sc	ch 50 – 60 (5 – 6 rows)	1 band
Small Flower (3 petals)	ch, sl st, hdc, dc	3 petals	Make 8 – 12 flowers
Medium Flower (4 petals)	ch, sl st, hdc, dc	4 petals	Make 4 – 6 flowers
Large Flower (5 petals)	ch, sl st, hdc, dc	5 petals	Make 2 – 4 flowers
Leaf	ch, sc, hdc, dc, sl st	ch 8 – 10	Make 8 – 16 leaves
Assembly	Sew with yarn needle	—	Attach all flowers and leaves
Closure	Jump ring, lobster clasp, extension chain	—	1 clasp + 1 extension chain (optional)

7 Bracelet Size Guide

Standard Size: 16 – 18 cm (6.5 – 7 in)
Extension Chain: 3 – 5 cm (1 – 2 in)
You can easily adjust the length by making a longer or shorter band and using an extension chain.

Tips & Variations

- Use different shades of purple and green for variety.
- Add small beads for extra sparkle.
- Try making a matching necklace or earrings.
- You can make a thicker or thinner band.
- Experiment with different flower arrangements.
- Most importantly, have fun and be creative!

"Handmade Things Make Life Brighter"

You Did It!

Congratulations!
You've completed your lavender bracelet.
A beautiful handmade piece created with love and care.
Keep creating, keep stitching, and keep spreading happiness!

CROCHET ♥ CREATE ♥ WEAR ♥ GIFT ♥ ENJOY

SMALL FLOWERS BIG JOY

Final Collection

FINISHING, JOINING, CLASPS & PROFESSIONAL TIPS

FOR ALL 5 BRACELETS

This final section will help you give your bracelets a clean, professional finish. Here you'll learn how to join all the elements, add clasps, hide yarn ends, and keep your bracelets looking beautiful for a long time. These tips can be used for all 5 bracelet designs in this collection.

1 Weave in All Ends

1. Use a yarn needle.
2. Weave the yarn ends through the back of the stitches.
3. Pull gently and trim the excess yarn.
4. Make sure the ends are well hidden so they don't show.

Neatly woven ends give your bracelet a clean and professional look.

2 Joining Elements

1. Use matching yarn to sew the roses and leaves to the band.
2. Go through the base of the flower/leaf and the band.
3. Make a few strong stitches to secure.
4. Keep the spacing even for a balanced look.

Strong and neat joins keep your bracelet beautiful and durable.

3 Adding Clasps

1. Attach the clasp using jump rings.
2. Secure the rings tightly with pliers (if needed).
3. Make sure the clasp opens and closes easily.

A good clasp makes your bracelet easy and comfortable to wear.

4 Extension Chain (Optional)

1. Add an extension chain for adjustable size.
2. Attach it with a jump ring.
3. This allows the bracelet to fit different wrist sizes.

An extension chain gives flexibility and makes your bracelet a great gift option.

5 Finishing Touches

1. Check all stitches and joins.
2. Make sure roses and leaves are firmly attached.
3. Trim any extra yarn.
4. Gently shape the flowers and leaves with your fingers.
5. Add small beads (optional) for an elegant look.

Small details make a big difference!

6 Caring for Your Bracelet

- Hand wash gently in cold water.
- Pat dry with a towel and lay flat to dry.
- Do not iron.
- Store in a dry place, away from direct sunlight.
- Handle with care to keep its shape.

With proper care, your bracelet will stay beautiful for a long time.

7 General Tips for All Designs

- Use high-quality cotton yarn for best results.
- Keep your tension consistent.
- Try different color combinations.
- You can make the bracelets smaller or larger by adjusting the band length.
- Experiment with beads or charms.
- Take your time and enjoy the process!
- Each bracelet is unique — make it your own!

Crochet is not just a craft, it's a way to create happiness, one stitch at a time.

8 The Complete Collection

Handmade Bracelets Happier People

Thank you for being part of this creative journey.
May your handmade bracelets bring joy, beauty, and a little more happiness to your world!

CROCHET ♥ CREATE ♥ WEAR ♥ GIFT ♥ ENJOY

FIVE FLORAL BRACELETS
A WORLD OF HAPPINESS

Troubleshooting

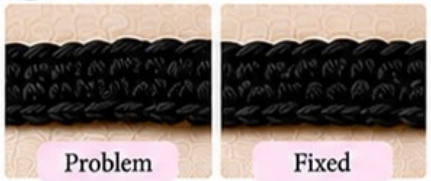

COMMON CROCHET MISTAKES & HOW TO FIX THEM

SMALL FIXES MAKE A BIG DIFFERENCE

Everyone makes mistakes — it's a natural part of the learning process! In this section, you'll find the most common issues that can happen while making the 5 floral bracelets in this collection, along with clear and simple solutions to help you fix them quickly.

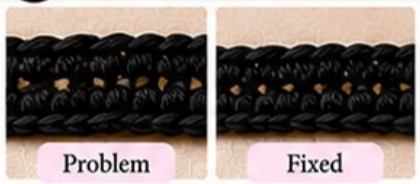

1 Uneven Stitches

- Your stitches look different sizes or uneven.
- Try to keep the same tension throughout.
- Practice a few rows to get comfortable.

Take your time and relax. Even tension comes with practice!

2 Holes Between Stitches

- You can see gaps or holes between stitches.
- Use the correct hook size.
- Keep your tension slightly tighter.
- Make sure you are inserting the hook in the right stitch.

A smaller hook can help if your stitches are too loose.

3 Curling Edges

- Your pieces curl or don't lie flat.
- Check if you are using the recommended stitch and hook size.
- Try blocking your pieces (light steam or wet blocking) to help them lie flat.

Blocking makes a big difference!

4 Roses Not Laying Flat

- Your rose looks tight, twisted, or doesn't lay flat.
- Adjust the number of chains in the centre.
- Try looser tension for the first round.
- Shape the petals with your fingers and use a little steam if needed.

Gently shape each petal — it will look much better!

5 Leaves Not Holding Shape

- Your leaves look flat or floppy.
- Use the recommended stitch counts.
- Make sure to work into the correct stitches (especially the back loops).
- You can lightly starch the leaves or steam them to help them hold their shape.

A little blocking gives your leaves a natural and beautiful look!

6 Bracelet Band Too Tight/Loose

- Your band doesn't fit comfortably.
- Use the size guide (page 40) to adjust the length.
- Add or remove chains/rows as needed.
- Remember that the band should be firm but flexible.

Always check your fit before attaching the roses and leaves!

7 Clasp Not Secure

- The clasp feels loose or comes off easily.
- Use strong stitches and pull the yarn tight.
- If needed, add a small jump ring.
- Make sure all ends are well secured.

A securely attached clasp keeps your bracelet safe to wear.

8 Yarn Ends Showing

- You can see yarn ends on the wrong side.
- Use a yarn needle to weave in all ends carefully.
- Hide the ends inside the stitches.
- Trim any extra yarn.

Well hidden ends give a clean and professional finish!

9 Flowers or Leaves Falling Off

- The flowers or leaves feel loose or fall off.
- Use a few extra strong stitches when attaching.
- Make sure you are sewing through the base and the band.
- Check all elements before finishing.

A few extra stitches keep everything in place!

10 Not Happy with the Look?

- Sometimes it just doesn't look right.
- Try different arrangements.
- Adjust the placement of roses and leaves.
- Experiment with beads or a different clasp.
- Remember — handmade items are unique and don't have to be perfect to be beautiful!

Be proud of what you create!
Each piece is special and one of a kind.

Collection Master Reference

QUICK STITCH & ASSEMBLY GUIDE

FOR ALL 5 BRACELETS

Everything you need in one place! Use this page as a quick reference while making any bracelet from this collection. It includes the main stitches, assembly steps, and a comparison of all 5 designs.

1 Key Stitches Used in This Collection

Chain (ch)	Single Crochet (sc)	Half Double Crochet (hdc)	Double Crochet (dc)	Treble Crochet (tr)	Slip Stitch (sl st)
Foundation stitch	Main stitch (used in bands, leaves, etc.)	Slightly taller than sc	Taller stitch (used in some elements)	Extra tall stitch (used in some details)	Used for joining and neat finishing

2 Materials & Tools (All Designs)

- Cotton yarn (in your chosen colors)
- Crochet hook (recommended size for your yarn)
- Scissors
- Yarn needle (for weaving ends)
- Clasps and jump rings (optional)
- Measuring tape
- Stitch markers (optional)

3 The 5 Bracelets at a Glance

1 Black Rose	2 Pink Rose	3 Red Rose	4 White Rose	5 Purple Rose
Bold Elegant Timeless	Sweet Charming Feminine	Passionate Classic Beautiful	Pure Graceful Versatile	Unique Stylish Eye-catching

4 General Assembly Steps (All Bracelets)

1. Make the roses (in required sizes).
2. Make the leaves (in required sizes).
3. Crochet the bracelet band to your desired length.
4. Attach roses and leaves to the band (sew securely).
5. Add clasps or an extension chain (optional).

Simple Steps ♥ Beautiful Results ♥ You Can Do It!

5 Size Guide (Adjustable)

15 – 18 cm (adjustable)

Width: approx. 0.5 – 0.8 cm

You can adjust the length by making more or fewer chain stitches.

6 Quick Tips

- Keep your tension consistent.
- Use high-quality cotton yarn.
- Check stitch counts and photos.
- Attach elements securely.
- Hide all yarn ends.
- Try different color combinations.
- Make it your own style!
- Have fun and enjoy the process!

Care, Washing, Storage & Long-Term Maintenance

KEEP YOUR CROCHET BRACELETS BEAUTIFUL FOR YEARS

A LITTLE CARE GOES A LONG WAY

Your crochet bracelets are handmade with love, and with proper care, they can stay beautiful for a long time.
Follow these simple tips to keep them clean, fresh, and in great condition, whether you wear them, gift them, or store them.

1 Hand Washing (Recommended)

- Use cold or lukewarm water.
- Add a small amount of mild detergent.
- Gently swirl the bracelet in the water.
- Do not wring or twist.
- Rinse with clean water.
- Pat dry with a soft towel.
- Lay flat to dry in a shaded area.

2 What to Avoid

- Do not use bleach or harsh chemicals.
- Do not machine wash.
- Do not wring, twist, or scrub.
- Do not iron.
- Avoid direct sunlight for long periods (it can fade the colors).
- Keep away from rough surfaces that may cause pulling or fraying.
- Do not use hot water.

3 Drying Tips

- Pat gently with a towel to remove extra water.
- Lay flat on a clean, dry towel.
- Let it air dry naturally.
- Keep in a shaded, well-ventilated area.
- Make sure it is completely dry before wearing or storing.
- Do not use a hair dryer or heater.

4 Storage Tips

- Store in a clean, dry place.
- Keep away from direct sunlight.
- Use a jewelry box, fabric pouch, or small zip bag.
- Store each bracelet separately to avoid tangling.
- You can add a small silica gel packet to keep moisture away.

5 Long-Term Maintenance

- Check for loose ends occasionally and trim them carefully.
- If a stitch becomes loose, secure it with a small stitch.
- Keep the clasp and chain clean.
- Refresh the shape of the flowers and leaves with your fingers.
- If needed, lightly steam (from a distance) to help the shape stay neat.
- With proper care, your bracelet will stay beautiful for years!

6 Travel Tips

- Use a soft pouch or small box.
- Keep away from heavy items.
- Avoid wet or humid conditions.
- Check your bracelet after travel to make sure it's in good shape.

7 A Few Extra Tips

- Handle your bracelet with clean hands.
- Keep it away from perfumes, lotions, and sprays.
- Store it properly when not in use.
- Take good care of it, especially if it's a gift.
- Remember — handmade items may be delicate, but they are also special and unique!

Well Cared For... Always Beautiful

8 Enjoy for a Long Time!

Handmade Happier People

With a little love and care, your crochet bracelets will continue to bring joy, beauty, and happiness for many years!

Thank You! ♡

Small Stitches Big Happiness ♡

STEP-BY-STEP INSTRUCTIONS WITH EXACT STITCH COUNTS

A DELICATE CROCHET LAVENDER BRACELET INSPIRED BY NATURE ♥

Finished Size

Adult: 15 – 18 cm (6 – 7 in) (adjustable)
Width: approx. 2.5 cm (1 in)
Lavender sprig length: approx. 4 cm (1.6 in)

Materials

- Cotton yarn (category: sport / DK)
- Crochet hook: 2.5 mm (or size needed for your yarn)
- Scissors
- Yarn needle
- Stitch markers (optional)
- Clasp and extension chain (optional)
- Small beads (optional, 2–4 mm)

Yarn Colors (Example)

- A – Lavender Purple (main flowers)
- B – Light Purple (accent)
- C – Sage Green (leaves & stems)
- D – Dark Green (leaf detail)
- E – White (small flowers)
- F – Gold (beads/center, optional)

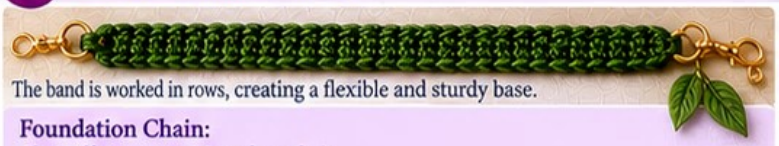

Stitch Abbreviations (US Terms)

ch	chain
sl st	slip stitch
sc	single crochet
hdc	half double crochet
dc	double crochet
tr	treble crochet
inc	increase (2 sts in same stitch)
dec	decrease (2 sts together)
[ ]	repeat the instructions
( )	total stitch count at the end of round/row

Notes:
- This pattern is written in US crochet terms.
- Read through all instructions before starting.
- Adjust the bracelet length by adding or reducing chains in multiples of the repeat.
- You can make more or fewer lavender sprigs depending on your desired size.

1 Bracelet Band (Make 1)

The band is worked in rows, creating a flexible and sturdy base.

Foundation Chain:
Ch 61 (for approx. 15 cm bracelet).
For a longer bracelet, add chains in multiples of 2.

Row 1: Sc in 2nd ch from hook and in each ch across. Turn. (60)
Row 2: Ch 1, sc in each st across. Turn. (60)
Row 3: Ch 1, *sc, hdc* repeat across. Turn. (60)
Row 4: Ch 1, sc in each st across. Fasten off. (60)

Band Measurement

15 cm (60 stitches)

Width: approx. 1 cm (4 rows)

Let your creativity bloom one stitch at a time. ♡

DETAILED INSTRUCTIONS WITH PHOTOS, DIAGRAMS & STITCH COUNTS

2 Lavender Flower Sprig (Make 3–5 sprigs)

Each sprig is made with a series of small cluster petals.

Using color A (lavender purple)

Row 1: Ch 8. (8)
Row 2: In 2nd ch from hook: 1 sc, 1 hdc, 1 dc, 1 hdc, 1 sc, sl st. (5)
Row 3: Ch 5, sl st in base, repeat Row 2 on the other side of the chain. (10)
Row 4: Ch 4, sl st in base, repeat Row 2. (15)

Have 3–5 sprigs in total.
Fasten off, leaving a long tail for sewing.

3 Small White Flower (Make 3–5)

Using color E (white) and F (gold, optional)

Round 1: Ch 4, sl st to form a ring. (4)
Round 2: *Ch 3, sl st in ring* repeat 5 times. (5 petals)

Add a small gold bead in the center (optional).
Fasten off, leave a tail for sewing.

4 Leaves (Make 4–6)

Using color C (sage green)

Ch 8.
Row 1: Sc in 2nd ch, hdc, dc, dc, hdc, sc, sl st. (6)
Row 2: Ch 1, turn, sl st, sc, hdc, dc, hdc, sc. (6)
Fasten off, leaving a tail for sewing.
Make 4–6 leaves.

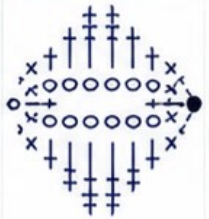

5 Stem (Make 3–5)

Using color C or D (green)

Ch 10.
Row 1: Sl st in 2nd ch and in each ch across. (9)
Fasten off, leaving a tail for sewing.

Stitch Diagram – Lavender Sprig

Symbol Key

- ○ = chain (ch)
- ● = slip stitch (sl st)
- × = single crochet (sc)
- † = half double crochet (hdc)
- ‡ = double crochet (dc)

6 Assembly

1. Position the lavender sprigs on the band and sew securely.
2. Add small white flowers between the sprigs.
3. Attach leaves around the flowers for a natural look.
4. Sew all pieces firmly with a yarn needle.
5. Attach clasp and extension chain (optional).
6. Weave in all ends.

Nature inspires, Crochet brings it to life. ♡

Final Stitch Count Verification

- ☐ Band: 60 stitches (4 rows)
- ☐ Each lavender sprig: 15 stitches (approx.)
- ☐ Each small white flower: 5 petals
- ☐ Each leaf: 6 stitches
- ☐ Stem: 9 stitches
- ☐ Recommended: 3–5 sprigs, 3–5 small flowers, 4–6 leaves

Adjust Size

- ☐ Smaller size: start with ch 51 (50 stitches)
- ☐ Medium size: start with ch 61 (60 stitches)
- ☐ Larger size: start with ch 71 (70 stitches)
- ☐ Always add or reduce in multiples of 10 chains (to keep the pattern even).
