Reading companion • Complete pattern follows

Size, yarn and gauge

Experienced lace pattern; finished length approximately 25 inches. No bust-size table is provided. The supplied version lists six balls of Red Heart Soft and a 5.5 mm hook. Gauge: 12 sc and 15 rows per 4 inches; also check the lace drape and neckline on your work.

Construction and chart route

Start with the 128-chain neck ring. The first round has 64 dc and 64 chain spaces; early rounds establish 16 shells and four marked corners. Complete the 33 body rounds, then the attached ribbed neckband. Original chart pages 7, 8 and 9 cover rounds 1–6, 7–21 and 22–33. All charts remain in this download.

Neckband reading

“Scbl” means single crochet in the back loop only. Neckband Row 3 joins back to the neckline but omits an explicit turn. Turn after joining so Row 2 can work outward again. Keep the neckband joins in the directed edge positions; avoid pulling the neckline tighter than intended.

Scope of review

Foundation counts and the chart route were reviewed. Every complex lace placement has not been independently validated by a physical sample. If a written position is unclear, compare the corresponding chart rather than improvising a new repeat.

Finish and care

Check the opening before completing the band. Use a blocking method allowed by the actual yarn label; measure before and after finishing. A new yarn or hook is not evidence of a verified size change.

PetsCrochet reading companion • Version 1.0 • October 1, 2026. Every complete supplied pattern page follows, including photos, charts and finishing. No physical crochet sample or wash test was made for this package. New interpretations are prototype-ready drafts, not designer-approved or physically tested errata.
