

Shoki the Dressed Dog

Edition and sample status

Version 1.0 | October 12, 2026. Prototype-ready reading draft; this edition, its proposed corrections and new components have not been physically crocheted, washed or checked for recipient use. Complete supplied instruction, photograph and chart pages are included after the reading notes. The notes expand or clarify the reference; they do not establish tested errata.

Reference size and measurement

Reference height: about 30 cm / 12 inches. No numerical gauge supplied. For a figure, measure height from crown to lowest foot in its display pose, then widest body width; for a head measure widest head width. For the pouch, measure laid-flat bag width and length separately from overall figure length. Measure only a completed relaxed sample, not a photo. These targets are reference values, not independent results.

Materials and starting hook

TeDdy's Wool Classic acrylic 100 g/240 m in beige, off-white, dark grey-brown and green; 3 mm hook; stuffing, black embroidery thread, needle, scissors and marker. Reference fittings: 12 mm eyes and 15 mm nose. No measured yardage per colour supplied. Use a yarn needle suitable for the chosen yarn, a movable marker, scissors and measuring tape. Listed balls, skeins and gram amounts are reference allowances rather than measured consumption for this edition. Buy an additional allowance only after planning your own sample; no exact new total is promised.

Gauge and resizing

No numerical tested gauge is established for this reading edition. Where the reference has no stitch gauge, make a single crochet swatch larger than 10 cm square, let it rest, and record stitches and rounds in the middle 10 cm. Make a small stuffed component to check gaps. If stuffing shows through, trial a smaller hook and repeat. For a display figure rescale, $\text{ratio} = \text{desired finished height} / \text{measured original sample height}$. Trial yarn and hook together to produce approximately that scale while preserving the complete stitch schedule, then make the whole sample and remeasure. Check muzzle, ears, neck and base separately. Hardware and yardage do not scale automatically. This is a sampling method, not a verified second size. For the jar cover use the actual-container method in the written chart reading.

Terms and how to read the pages

US terms in the added notes: ch=chain; sc=single crochet; hdc=half double crochet; dc=double crochet; tr=treble; sl st=slip stitch; MR=magic ring; inc=2sc in one stitch; dec=sc2tog; BLO/FLO=back/front loop only. A decrease consumes 2 base stitches and produces 1. A three-stitch increase consumes 1 and produces 3. Move marker each spiral round; do not count an offset stitch as a new increase. Turning chains are not counted in added flat-row instructions. Follow each original pattern's own stated terminology and colour key. English, US terms.

Construction route

The head and body are worked as one piece. Back-loop rounds leave ridges for the clothing, so mark them when they appear instead of trying to find them later. The cover spells the name Shoki, although the filename says Snoki. Shoki wears a hat, a light shirt, brown trousers and a long scarf. Its slender legs and floppy ears give it a storybook character shape. Pick this one if dressing the finished dog is as appealing as crocheting the dog itself.

Count and completeness review

Head/body round 20 (11 sc, dec) x4 consumes only 52 of 54 and produces 48, so there are 2 unassigned stitches. Proposed count-consistent alternative: (7 sc, dec) x6 consumes 54 and produces 48; placement may shift. Hat beginning chains require explicit counting: ch3 as first dc; complete 12-24-36-48-60 then 48-36 totals. These are untested clarifications.

Assembly and final checks

Follow the retained photographs and numbered assembly directions. Place paired ears and paws with temporary markers, compare front, side and rear, then sew securely around open edges or through flattened tops as directed. Do not force unmatched stitch counts into a seam: check the previous shaping round first. Add stuffing in small pieces while keeping any intended flat base flat. After sewing, remove every pin, secure tails and inspect every attached piece. Test any proposed seam or count repair on a sample before final gifting.

Care and intended use

These are dog-themed display and gift crafts, not chew toys or walking equipment for real pets. Keep stuffing, hard fittings, keys, joints, loose fibres and doll accessories away from pets. Follow the actual yarn and component labels for cleaning; trial care on a spare sample before washing the figure. Avoid heat on untested plastic fittings or glued components. No washability, attachment-strength or child-toy compliance test has been completed for this edition.

Sample record and troubleshooting

Record yarn brand/fibre and colour, hook, gauge, finished height/width, yarn used, proposed changes and care result. If fabric gaps appear, try a smaller hook and recheck size. If head droops, check stuffing distribution and seam positions; do not add concealed weights or wire absent from the design. For a distorted face, check marker positions and muzzle alignment before undoing the entire head. For the jar, remove the sleeve to clean the container; do not treat a crochet cover as protection against glass breakage. Read coloured stitch lines on the original PDF pages because plain-text extraction can lose colour segmentation.

Complete pattern pages

The full supplied pages begin next, including foundations, rows/rounds, stitch counts, colour cues, assembly photographs and charts available in the reference. Original page numbering restarts there. Use the count review above where a proposed alternative is given. For Milo, use the separate completion draft to supply the absent pieces; for the keychain, choose the marked alternative muzzle when sampling.

Shoki the Dog

Things you need to know about this project

- Work in continuous spiral, do not join, you will be told when you need to close the rounds with a sl st.
- Crochet tight to prevent gaps between the stitches that will not allow the stuffing to show through the fabric.
- For this dog project I used 3,0 mm crochet hook
The Dog high is about 30cm tall (12inch).
- Use a stitch marker or piece of yarn to mark the end or the beginning of a round, move the marker at the end of every round.

Tip! from this pattern you can make smaller or larger Dog by using a bulkier or finer yarn. choose a smaller crochet hook at least one size smaller then suggested on the yarn label. by changing the Dog size make sure to adjust the size of the safety eyes, also you can use for the eyes buttons, French knot or paint eyes.

Scarf with Green yarn.

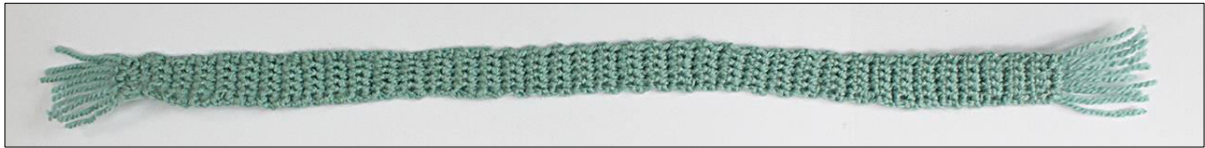

Chain 6, loosely.

Row 1: 1sc starting from the second chain from hook, 1 sc into each st across to the end, **Turn** (5st)

Row 2: ch 1 then 1sc into same stitch, 1sc into each st across, **Turn**.

Repeat **Row 2**, 75 times to obtain the scarf length.

sl st leaving 15cm of yarn to weave into the back of the last row of the scarf with the yarn needle to hide the yarn tail.

Cut 10 strands, 10cm each (4inch)
5 for each side of the scarf.

Fold the strand in half and pull it through a stitch.

Pull the strand through the loop.

And pull tight. Repeat the same
Process with the other 4 strands.

Do the Same with the other side.

Pants

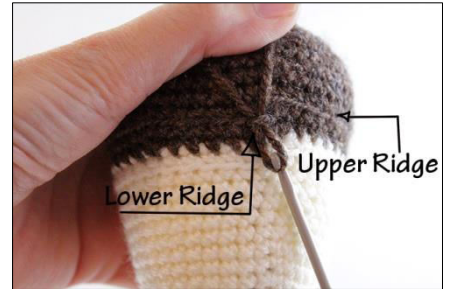

Now go back to row **43**, By crocheting in the **BLO (back loop only)** you created a ridge, this is where you will crochet the pants. Crochet the first round with **Dark Grey Brown** yarn

Here is the ridge you created.

Turn the dog upside down.

In the beginning of the lower ridge Insert the hook under a loop, pull and create the first single crochet.

R1: 1sc in each st for 1 row (48st) the end of the ridge will be a bit higher than the beginning so just join them with a sc.

R2-17: 1sc in each st for 16 rows (48st) sl st in next st, fasten off and weave in all the yarn tails.

Shirt

- Do the same with the shirt

Go back to row **40**, By crocheting in the **BLO (back loop only)** you created a ridge, this is where you will crochet the pants. Crochet the first round with **Off White** yarn.

Turn the dog upside down. In the beginning of the lower ridge Insert the hook under a loop pull and create the first single crochet. **R1-3:** 1sc in each st for 3 rows (36st)

Sewing the Legs

- Before you continue with the pants we have to sew the legs in place.

Sew the legs to the body just above row 51 a bit more to the front of the body, fasten with a knot and hide yarn tail inside the body. *See how to sew a flat piece to a closed piece (see page 15).

- After you have finished sewing the legs to the body continue to crochet the pants.

Now divided the upper part of the pants to 2 parts, every part contain 24 stitches and mark it with a piece of yarn

Now connect the 2 sides of the piece and close the row. Insert the hook to both sides of the pants and pull it through.

Connect with 1 Single Crochet to close off the row. now the 2 seams attach together.

Start to crochet the first leg and make sure you crochet from the **outside** of the pants and not from the inside and the dog is **upside down**. Crochet 1 Single Crochet in each st for 8 rows.

sl st in next st, fasten off and weave in all the yarn tails.

Do the same with the second leg.

Adding a safety nose

Insert the needle from the back of the of the muzzle and bring it just beneath row 4.

Insert the needle vertically just beneath row 1.

Turn the muzzle to the wrong side and tie the two threads twice.

Cut the threads.

Install the safety nose just beneath row 4 in the same hole where the thread emerge.

Finished

After you have finished installing the safety nose you have to sew the muzzle to the head

Place the muzzle just beneath the eyes, row 13 in the middle. pin it to the head and add a little bit more fiberfill if needed. sew in place, fasten with a knot and hide yarn tail inside the head.

*See how to sew an open piece to a closed piece (see page 15).

Sewing the Arms

Place the arms to the sides of the body underneath row 29, Sew in place, fasten off with a knot and hide yarn tail inside the body. *See how to sew a flat piece to a closed piece (see page 15)

Sewing the Ears

Place the ears just beneath row 8, pin it to the head. sew in place, fasten off with a knot and hide yarn tail inside the head. *See how to sew a flat piece to a closed piece (see page 15)

How to Embroider the Eyebrows

- Embroider the Eyebrows with the Black embroidery thread.

Place the pin markers above the eye and give it a small angle

A. Insert the needle in a hole between stitches some distance away from where you will embroider the eyebrow.

B. Bring the needle to the first pin marker for the embroidering. Pull it through and leave a long tail.

Insert the needle to the next pin marker and bring it out at the same hole between stitches where you insert the starting thread and pull it through.

Knot the two ends together twice.

Reinsert the two threads into the needle and then insert the needle into the same hole where both ends emerge and bring it out in a different point on the head, pull it through and cut them off.

How to close a hole and hide yarn tail inside the piece

1. Cut the yarn, leaving a long yarn tail and fasten off. From the inside of the hole Insert the needle under the front loop only, draw the yarn toward the outside and again next front loop from the inside to the outside, pick up all the remaining stitches.

2. Pull the yarn tail tight until the hole is completely closed and knot off.

3. Insert the needle back to the center.

4. Pass the yarn through the piece coming out on a different side through a hole.

5. Cut the yarn tail.

How to Crochet an Oval

- Chain 4 then **2sc** in to the second chain from hook, then **1sc** in next **2st** then **4sc** in the last chain, Turn and work on the other side, **1sc** in the next **2st** then **2sc** in the last chain.

1. Make a chain with four stitches.

2. Insert the hook in to the second chain from hook.

3. Crochet two single crochet stitches in this chain.

4. Crochet one single crochet to the next two chain stitches.

5. Crochet four single crochet stitches in to the last chain.

6. Turn and work on the other side. crochet one single crochet to the next two chain.

7. Crochet two single crochet stitches into the last chain.

8. Do not join the round, insert the hook to the first stitch and start a new round.

Sewing an Open Piece to a closed piece

Sewing an open piece to a closed piece

1. First stitch, insert the needle in a hole And bring the needle up below the next stitch on the closed piece and draw the yarn through.

2. Insert the needle under both loops together in the open piece and then insert the needle into the hole where the yarn tail emerge out in the closed piece and bring the needle up below the next stitch and draw the yarn through. do it all the way around.

3. Draw tight after every stitch and make sure the stitches are parallel to one another.

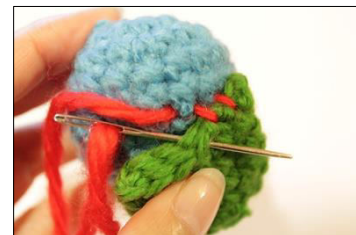

Sewing a flat piece to a closed piece

Sewing a flat piece to a closed piece

1. Insert the needle to a hole between stitches and bring the needle up below the next stitch and draw the yarn through.

2. Insert the needle under both loops together in the flat piece and draw the yarn through.

3. Go back to the same hole where the yarn tail emerge out in the closed piece and draw the yarn through tight.

4. Repeat across the top of the flat piece.

Note: For this sewing example, I used a contrasting yarn that will be more clear for you to see the technique. For your work used the same yarn you used for the flat piece
