Wag Floppy-Eared Dog

Two brown Wag dogs have long floppy ears, pale paws and dark noses.

Version 1.0 | October 3, 2026 | Prototype-ready reading draft. No physical crochet sample, wash test or child/pet-use test was completed. Proposed corrections are editorial interpretations, not confirmed errata.

Starting specifications

Chunky chenille; 6 mm hook; finer pink yarn and 3.5 mm hook for the heart. Listed at about 35 cm. Shaping, separate pieces and face embroidery. Consult the complete supply list and color plan in the pattern pages.

Construction and count review

Head starts 6/12/18/26/34/42/48, then narrows 47/46 and closes 42/36/30/24/18/12/6. Body starts 8/16/24/32/40, holds 40, then narrows 34/28/22. The extracted order places body round 16 apart from its instruction; read it as (3 sc, dec) six times, 4 sc, for 28. Original page 5 shows the layout. Head and body are separate.

Paired pieces and finishing

Legs grow 6/12/18/24/30, then narrow 24/18/14; arms grow to 24, then narrow 18/12. Stuff only the paw ends firmly. Ears grow to 24 and taper to 14; do not stuff them. Tail is 6/9, holding 9. Flatten openings when attaching arms/legs and pin the head/body seam for balance. Sew legs near body rounds 7-8, arms near 18-19 and tail from round 6. Follow the source face-shaping diagrams gently. The photo has alternative brown tones/markings; it is one dog pattern, not two downloads.

Measure, finish and check

Gauge and dimensions

No verified PetsCrochet gauge is available. Where no gauge is stated, make a six-round sc circle ending at 36 stitches, measure its diameter without stretching and record yarn/hook. Check filled fabric for gaps; flat appliqués should lie flat without pulling. Measure stuffed height head-to-base, plus width/depth and widest circumference; record whether ears/halo are included. For patches, measure maximum width and height flat, without stretching. Source dimensions are estimates, not measurements of a new sample.

Resizing method

For a yarn/hook change, make matching test circles: new circle diameter divided by original circle diameter is an approximate scale ratio. Multiply known dimensions by this ratio as an estimate only. Keep the written stitch schedule until a physical prototype supports a changed schedule. Clothes and backings must fit the actual dog/motif; do not scale a wire frame, spring, eye size or garment fastening blindly. No yardage or fit is verified by this ratio.

Terms and supply checks

MR: magic ring; ch: chain; sc: US single crochet; inc: two sc in one base; dec/sc2tog: two sc joined into one; sl st/ss: slip stitch; hdc: half double crochet; dc: double crochet; tr: treble; dtr: double treble; FLO/BLO: front/back loop only; FO: fasten off. Ranges include both endpoints. Mark the first stitch, count base positions consumed and resulting stitches, and make pairs together. Yarn package size is not measured project use. Keep stitch marker, needle and scissors ready; use filling and components only where the chosen pattern calls for them.

Finish, care and intended use

Pin parts before sewing, test seated/standing balance without forcing it and inspect all seams and attachments. These are dog-themed display crafts for people, not pet chew toys or certified baby toys. Keep wire, spring parts, hard eyes, felt, hair strands and craft tools out of pets’ reach. Follow actual yarn/filling/component care labels; assembled washability is untested. Clean gently only when the materials allow it, dry fully and inspect again. If a round cannot consume its available stitches, pause and clarify or sample the proposed interpretation. Record changes so the paired part follows the same plan.

Crochet in continuous spirals without joining the rounds!

Put a marker (or use a scrap of contrasting yarn) at the beginning of each round.

The finished product using a 6 mm crochet hook is ~ 13,78 inches / 35 cm

THE REQUIRED MATERIALS:

- i used Chunky Chenille yarn Brown / Beige / Black
- Pink Velvet yarn (I chose the Pink yarn thinner than the others because I want to make a smaller heart, and we'll also use a smaller crochet hook)
- Black and white cotton yarn (to embroider the paws, nose ,eyes)
- 6 mm crochet hook (or any different crochet hook that matches your yarn)
- 3,5 mm crochet hook for the heart
- 2 safety eyes 0,47 inches / 12 mm
- stuffing material (fiberfill/polyester)

ABBREVIATIONS

PAW EMBROIDERY

BLACK COTTON YARN

To embroider the toes, start by entering the center of the paw (the procedure is the same for all four paws). Leave a bit of thread out at the beginning, which will be used later to tie the knot.

Exit at the other end and come back down with the thread to re-enter the magic ring and make the three embroidered stripes, pulling the thread gently to shape it. At the end, you won't re-enter the magic ring but will instead tie a knot. Cut the thread and hide it.

Round 2: [sc, inc] x3 (9)

Round 3-6: 9sc (9)

Sew starting from round 6 of the body.

NOSE

BLACK YARN

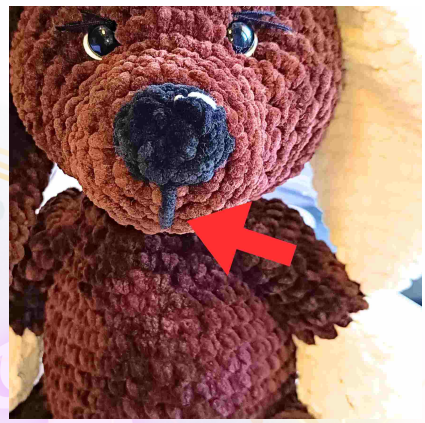

Round 1: 6sc in mr (6)

Round 2: 1sc, 2inc, 1sc, 2inc (10)

Close with a slip stitch, cut the yarn leaving a long tail for sewing.

Sew to the head

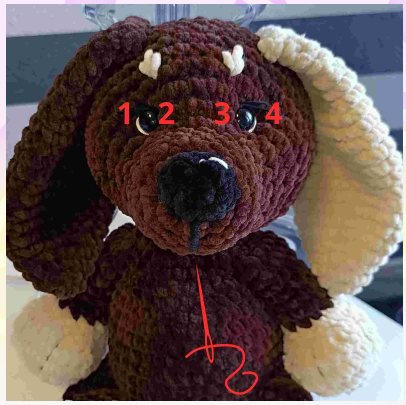

Once you've sewn the nose, also create the vertical line under the nose (about 2 cm / 0,79 inches in length).

With white yarn, create two small lines to add highlights to the nose.

SHAPING THE MUZZLE

Cut two long pieces of yarn. Insert the needle under the chin and exit at point 1, next to the eye. Re-enter at point 2 and exit with the needle through the entry stitch under the chin. Repeat for the second eye. Once both threads are at the bottom, start pulling until you achieve the desired shape. At that point, tie a knot and hide the thread.

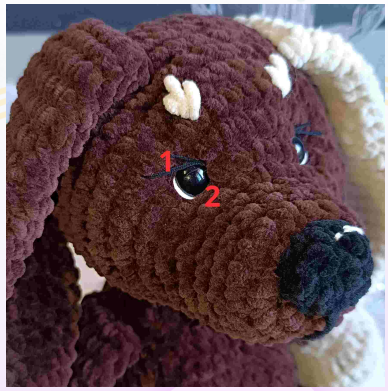

With beige yarn, create two small spots above the eyes (I made three stitches on each side).

WITH WHITE YARN

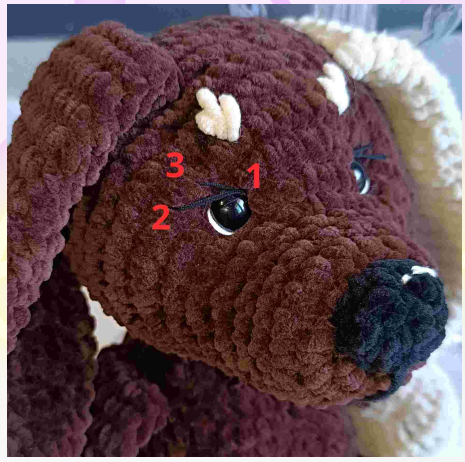

Use double yarn.

To embroider the eyes, always enter at the side of the head, exit at point 1, and reenter at point 2. Exit with the needle from the stitch where you entered, tie a knot, and hide the thread. Repeat for the other eye. If you feel confident, you can use a longer thread and embroider both together.

WITH BLACK YARN

In this case, I make two lines so that they look like eyelashes. Insert the needle from the side of the head. Exit at point 1, re-enter at point 2, exit again at point 1, re-enter at point 3, and exit from the original stitch to tie a knot and hide the thread. In this case, also use double yarn.
